## The First Word

## My blood is red... and gold!

It's a special Hutt Park welcome to one and all for our final Premier League match of 2014. And what a season we have witnessed with our 1st team delivering another outstanding brand of football and another title. Back to back titles is no mean feat and it goes without saying that all teams have looked to knock us off the perch as defending Premier League winners.

Today we celebrate another fantastic season and yes WE ARE THE CHAMPIONS! For the game today it is obviously a dead rubber with us already confirmed as champions. To our opposition Seatoun it's been a tough season after promotion from Capital 1 last season. They will return to Capital 1 in 2015 but there's no doubt that the Capital Premier experience will give them some satisfaction and allows them much to build on for next season.

For us the next phase occurs when we enter the playoff series with Wanganui Athletic. The first leg is at Wembley Park in Wanganui on 6th September followed by the return leg on 13th September. Incredibly we have still not had confirmation of Hutt Park as the venue. Interestingly the Northern Premier League is still playing matches into September but it only seems to be in the Wellington region where September 1st is the winter cut-off.

Playing at Hutt Park isn't just about our extraordinary unbeaten run and the fortress it has become - it's also about playing at home, in front of our home supporters and the club receiving a financial boost with a good night in the clubrooms.

In 2013 we were forced to play on the turf at Memorial because of the bad weather and poor pitch conditions - and we'll never know what might have been if we did play at Hutt Park. In 2014 we won't die wondering and the 2013 play off experience has galvanised our squad, many who return for the playoffs as we push for Central League - where we belong!

## ALTER ALTERIUS ONERA PORTATE—A special thanks

As another season comes to an end it's timely to give thanks to the many Committee members who work tirelessly behind the scenes, not seeking any reward or recognition, just doing their bit to give back to the Stop Out club.

Chairman **Neil Kemp** has done a phenomenal job and shown great leadership through some challenging times. Neil is very fair but also fearless in his defence of the Stop Out name. A great figure head for the club.

**Brent Hamlin** our Senior Club Captain, a role he's had for over a decade is the voice of reason in the committee. Brent does a huge amount of work engaging with Capital Football but still finds time to lead fundraising initiatives and coordinate club events—oh and play for the McCreadie clowns!

**Brendan Marsh** now a Life member, has continued driving the growth of the Women's game at the club. We now have one of the largest Women's clubs in the Capital Football region and a fantastic youth pathway. See further in the programme about an exciting new initiative coming in the Women's game.

**Craig Darby** is the new boy on the block. An able lieutenant to Brendan around the Women's game, Craig offers the voice of logic around the table and is a hugely valued committee member.

Life member **Peter Hartstonge** almost singlehandedly controls the Hutt Park grounds and changing facilities, liaises with Downers and the council and sets up the playing fields each Saturday. And if that's not enough he's coordinating the myriad of grant applications that help keep the club ticking.

**Pat Gulley** is the conduit between our Senior Men's first team and the committee and does a power of work behind the scenes with the administration and organisation so the 1st team can focus on playing good football and winning leagues!

**Donna Beech** is the 'glue' in the club. And as treasurer she does an immense job which takes hour and hours each week because of the growing need of strong accountability and compliance around the club finances. And to top it all off she helps organise club hires and events.

**Andrew Beech** quite simply runs the Junior club. As we continue to create a better focus and pathway for our junior players we are redefining the expectation of our Junior committee. What that means is Beechy has singlehandedly oversees the management of the junior club. An extraordinary feat.

**Justin Raffan** is not only part of the Executive committee, he's the 'stat' legend within the club, he manages the 2nd team supporting Stu Pyne, on Sunday's he's out coaching and supporting the U17 team and he's Manager of the U19 team for the Napier tournament, oh and in his spare time he manages Team Wellington's ASB Youth team.

So next time any club members want to have a beef or whinge about something in the club - DON'T! Just realise there are a committed group of volunteers doing their utmost to continue the success of Stop Out.

I am immensely proud of this group and whilst they do the day to day mundane stuff effortlessly there is much vision and strategising about the future direction of Stop Out. Next time you see them simply say "Thank You!"

**Chris Canton President**

## Women's roundup

been covered for the past 6 months. It's the end of the season, 2014 winter leagues & cups are now statistics on a website or a spreadsheet.

2014 will be the year we continued as four teams, the (equal) biggest women's club in the region and importantly for me we remain a club of no "closed shop" teams with a majority of our players having some game time in more than one team this winter. We are the club where everyone knows your name!

We saw the Premiers in competition for the League title once more, sadly this time they ended a point off retaining their title but not without the team, Elliot & Craig putting in a lot of work & making forward steps in how we manage & train our bright young things. The win of the Premier Cup some consolation & evidence of the teams' quality.

The Reserves battled gamely, playing some quality football as you'd expect even if the results weren't always a reflection of their play and their cameo to the QF of the Kelly Cup was a fitting way to sign off the year. The Blacks toiled for mid-table finishing and both on and off the field they provided some of the season highlights. The Reds found their feet in the second half of the year, started scoring more goals than they were conceding – & funnily enough then the results went their way.

Thank you to Angus & Terry for their work with the teams, while a big thanks is also due to Elliott, Craig, Jenny, Kathryn, Gig, Jaimee, Heather, Russ, Narumon and Ali (and others) who were selfless in their roles for the teams & club or in the kitchen on match days & at functions.

I think it was the famous Toronto FC striker Neil Young who sang "Rust never sleeps" and it's the theme song for the coming months here at Stop Out&Women's football. Once again we'll field an U17 team in the Summer League with an eye to heading to the Auckland City FC Youth tournament in March 2015.

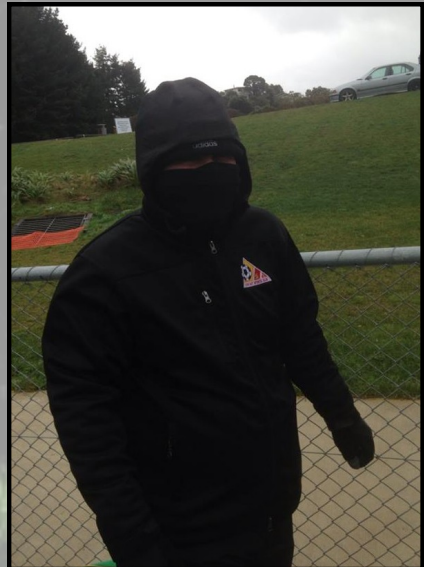

Significantly we are moving to host as a club the inaugural Girls U20 Club Championship this coming November (29<sup>th</sup> & 30<sup>th</sup>). With entries from both local & Auckland clubs we'll host a weekend of top quality club football.

Our move to undertake such a tournament reflects our desire to offer top level competition to our players in the off-season, giving them an opportunity to keep playing football and improve

their football. After 6 years of hosting the Senior Pre-season tournament locally as well as travelling to various U17 and U19 events we feel we are well placed to host a top quality event here at Hutt Park. Keep a watch on the club website in the weeks ahead for greater detail.

Finally congratulations to the champagne cork poppers from the men's side of the club; well done all involved with the Premiers, Masters Red, Masters Black and the U17's. Must be the Chairman's shout!

## MENS PREMIER LEAGUE Match reports. Chris Sambrooke

**Stop Out 3 vs Lower Hutt 1**  
**Hutt Park 1, 9th August 2014**  
**Scorers: Packer, Aden, Conway**  
**MOM Fisum Aden Khouchaba.**

After a disappointing result against Wellington United, it was time to re-focus three wins in our last three games would be enough to see us retain our title. We welcomed Lower Hutt to Hutt Park, with our growing unbeaten home record we were confident of getting a positive result.

The game was a battle, we started well but to Lower Hutt's credit they were making play difficult and had a good period of pressure resulting in 3 or 4 corners in quick succession. From one of the set pieces they took the lead, a corner was swung in and the interference on the goal keeper went unnoticed and the ball went straight in. From the next set piece we were reduced to 10 men. The game edged to half time with no change.

At 1-0 down and with 10 men we were confident of still achieving a positive result. The second half began well and started to dominate. Packer scored his first goal back at the club to level things with around half an hour to play.

As the game continued, the game lost control and from the ensuing incident both teams lost a player so for the remaining 20 minutes it was 1-1 and 10 v 9. The break in the play meant that we were able to get together and re-assess. From a disappointing position the positivity in the players on the field was remarkable, we didn't want to settle for a point and hope things went our way elsewhere. WE wanted to win.

We received a free kick around the edge of the area, Steve took it quickly to play Fisum in on the corner of the box and he produced an absolutely quality finish with the outside of the foot to put us one up. Not long after Lower Hutt were reduced to 9 men as well so the last 10 minutes was going to be hard work on the players with a heavy surface.

In the lengthy injury time, Simon Conway came on and produced a great run and finish to wrap up the result and put us back on track.

**Olympic 0 vs Stop Out 3**  
**Wakefield 2, 16th August 2014**  
**Scorer: Conway 3.**  
**MOM Enrico Meirelles**

With a busy week behind us, we knew that three points would virtually take us into the Central League Playoffs courtesy of our superior goal difference and potentially put us within 1 point of the title.

Simon Conway came into the side to replace Joe, and was to impact the game in spectacular fashion. We knew what to expect from Olympic, they moved the ball well and we were happy to be compact and well organised and get at them on the counter when required.

Enrico, Steve, and Packer were superb in winning the ball back in the midfield third and the combination of movement in the middle of the park was working well.

With about 20 minutes of the game gone, Conway opened the scoring to settle a few nerves in the side. It wasn't long before he got his second, his physical presence was too much as he knocked his defender off the ball and swept it home.

The second half we controlled really well, Enrico was at his best breaking up play and getting us moving forward with every interception and challenge. Conway completed his Hat-trick with a smart finish from the edge of the area.

Micky went close to adding to the score line late on but the result finished 3-0. Results elsewhere went our way, with Miramar drawing with Karori they could not catch us with only a game left. Mathematically only Wellington United could do that by winning their last two games and overturning a 38 goal difference. In our week off for the catch up game, Island Bay beat United 2-0 to confirm us as

**Man of the Match—Enrico**

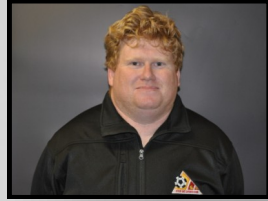

Premier League Champions for 2014. It is a fantastic result for the players and one they deserve.

We will welcome Seatoun for our last league game of the season, but we cannot allow ourselves to be complacent with the league win, we have two playoff games against a very good Wanganui Athletic side to achieve our goal of competing in the 2015 Central League.

**2013 (and 2014) Capital Premier Champions !**

Overall average - **300** goals in 105 games - 2.85 goals per game.

As a comparison from 2000 - 2009, 318 goals were scored.

300th goal scored by Simon Conway vs. Wellington Olympic Reserves 16/08/2014 at Wakefield Park. The 300th goal was the 3rd goal of the game.

We conceded 15 goals in the league in 2013. We have conceded 14 so far this year. Clean sheet on Saturday means we also better last season goals against stat.

No goals conceded in the League this year vs. Island Bay (1-0 H, 4-0 A), Olympic Reserves (8-0 H, 3-0 A).

Interesting fact is that Olympic Reserves have not scored against us in 360 minutes of football (2013: 8-0 H, 2-0 A; 2014 8-0 H, 3-0 A)

## The Last Word!

### Last Match of the Season

A couple of weeks ago it was my daughter's second birthday. A friend in replying to an invitation said 'One already? Time has flown'. Then I pointed out it was her second. Indeed, time is flying. We are at, as the fixture list shows, the Seatoun match at the Hutt Park. This is game eighteen of the season and, to me anyway, it feels like we are some around match six. Quite where the last five months have gone is beyond me. The one thing I have picked up since yesterday, when we were confirmed as Capital Premier League champions, is that there is a real sense of mission and of positivity about the place. By way of confirmation I offer this. Capital Premier Champions, U17B Champions, Masters2 Champions, Masters 5 Champs, Women's Premier Cup Champions, Capital 11 promoted.

The title that I think is most pleasing is that of the the Capital Premier League. After the heartache of the play-off loss at the end of last season, followed by some personnel changes, I had wondered if we could maintain the momentum as well as the self belief and get back-to-back titles. There was a moment, I confess, after the performance during the loss to Petone when I felt a flicker of doubt. The shame is mine. Clearly the squad addressed some issues and got to work in fine style. There are some times when a win is beyond beating the team in front of you and includes shedding some demons.

Earlier in the season I had mentioned my myopia. In that, I tended to see the Capital Premier side as the club be all and end all and had not been watching other teams. So I took my daughter Phoebe, then about twenty two months, to watch one of our women's team over in Wainuiomata. Nice morning on a very soggy pitch. Phoebe seemed more interested in a pair of dogs on the sideline when we arrived. This was until she noticed that it wasn't 'boys' playing football. The few who were there would have heard her little voice as she shouted 'girls girls'. We didn't stay long but in the car on the way to our next stop we had the voice going 'football, girls, football, girls'. The consequence is that she now has a little football and runs around the garden kicking the daylights out of it.

Even watching the Capital Premier side I have seen some other football, albeit Masters 5, and just on a neighbouring pitch. A life time playing football gives some of that team a bit of playing nous. I looked around one match to see Bill Healey effortlessly shield a ball as he let it run for a throw in his favour. Great moment.

Finally, standing on the sideline is not only, this may surprise some, about watching football. If you want to know about the place of religion in western society, Mike Gray and I got close to an answer, during a second half, recently...

*Life-long Stop Out fan Mike Barton gives us his personal view on the beautiful game!*
