Stop Out Sports Club (Official)

@redgoldblood

The First Word

My blood is red... and gold!

It's a warm welcome to Hutt Park and a special mention to Besim Balicevac. Besim was an integral part of our renaissance as a club and was at the helm as High Performance Manager in 2009 before becoming Senior Coach in 2010, and 2011. Welcome back to Stop Out Besim and Alma. There are also a few ex Stop Out players in your squad so welcome home boys!

Now back in Central League where we belong, the Stop Out club is growing and developing at a rapid pace.

As the Capital Football region's only club with Men's and Women's Central League teams the business of running an amateur club gets more and more challenging every year. (And the affiliation fees seem to grow larger and larger each year as well!)

But we wouldn't have it any other way and the club continues to strive for success. Today junior football starts for our younger players so it's good luck to the 30 odd youth teams playing football around the region.

It's also a warm welcome to James Prosser as 2nd team coach in what is their first home game of the season. James alongside Scotty Easthope is leading our High Performance programmes of Skills Centre, Football in Schools and Football Academy's throughout the club and local community. Coupled with Coaching the Coaches we're well covered in our club's development pathway.

Simon Harrold, Regan Steele, Besim in 2009

Many would say these initiatives are all in vain when the 'cheque book clubs' come calling and lure your best talent away but our philosophy won't change and we'll continue to develop and give the best opportunity and playing environment we can to all of our players. A quick glance at our second team shows a large proportion of youth players which is testament to our philosophy.

Enjoy the day at Hutt Park and the after match festivities.

Women's Update

The ACFC Youth tournament was once again a key focus for the women's management group at the start of the year. This tournament in only its third year as raised the bar on tournament experience for the nations' best under age players of both genders and their clubs. Our involvement before Xmas in the local U17 Summer League once again served as the starting point for building a team as a few new faces came out of college football to pull on the club's red shirt. At the last minute (well 10 days out) local rivals Upper Hutt dropped the ball and withdrew. So we added a couple of girls from up the valley to our tournament squad, and importantly to the club for the season.

The tournament offered 5 games over two days before wrapping with "finals and placing" games on the Sunday. Mike Gibbs headed north, aided by Terry Ross and Martin Burnside as management support. On the field the team was led by Aimee Sanson, attending her third tournament with the club. Guest player Katie Barrott was alongside her supporting the younger faces.

Tournament football success often comes down to managing player workloads. Sadly there was little that could be done around a string of injuries. Off field highlights should not have included time spent at the local A&E having x-rays and concussions checked but sadly that's where Mike ended up. Day two is always going to be tough if you are down to the last 11 players left standing for both of your games. While

results on the field didn't quite match the endeavour on field it was once again a fabulous opportunity for the girls to test themselves against the best of their peers across the country. For some like Radha McGlashan, Bex Williams and Ella Vincent-Hyde it served as a big welcome to Stop Out and wearing the red shirt with pride.

The seventh running of our annual Womens pre-season tournament was for Mike, Phil, Terry and Angus as always an invaluable two days to get some game time for their players with the regular season kick-off looming. Two big positives from the weekend, firstly for the first time in a few years we didn't need to call an ambulance! Secondly, unlike the weekend before in Auckland, no Stop Out players were harmed in the making of a tournament!

Petone prevailed in the Division One final in a penalty shoot-out with University, while Island Bay won the second tier tournament by virtue of a 1-0 win in the final against Nth Wellington. For both clubs it was the first time they'd gone home with silverware from the tournament.

Central League Rnd 1 vs Napier, Park Island

We couldn't have been given a bigger introduction to our return to the Central League than to get drawn away in Napier for the first game. Coming off the back of a Hilton Petone win we were full of confidence heading into the opening game. Napier are being talked about as one of this season's favourites so we were expecting a huge test of where we are at.

We started slowly in the game and found ourselves under a bit of pressure. We dealt with that

pressure well and began to get ourselves into the game and then into a position where we started applying pressure of our own. We took the lead through a fine individual effort from Martin Packer. We continued to pressure and rattled the crossbar twice in one phase and had a couple of half chances go begging. Just before the break a defensive error enable Napier to equalise and we headed into the break level.

The 2nd half started brightly but we could not add to our tally and slowly Napier gained control of the game. A goal midway through the second half put Napier ahead and a goal late on completed the scoring. An early lesson for us on taking our chances and playing consistently for the duration of the game. We can take plenty of positives from the game but know where we need to improve. FT Napier 3 Stop Out 1. Scorer: M Packer, MOM: S Gulley

Central League Rnd 2 vs Lower Hutt, Hutt Park

The first home game of the season was a local derby the lads were keen to bounce back after the Napier game just 3 days earlier. Unfortunately it proved to be another frustrating afternoon. The game started well enough we found the direct balls from Lower Hutt a dangerous early on but as the half progressed we began dealing with those much more comfortably and started creating chances. A half cleared corner allowed Lower Hutt to take the lead with a lobbed header to the far post. The set back didn't change the flow of the game to much and I felt that we were still in control, we missed a great chance just before the break to level the game and we went into half time 1-0 down.

The second half began in a similar fashion to the first. We were controlling the game for the most part but couldn't put the ball away. Mid-way through the second half, Micky capitalised on a defensive error to go through 1v1 with the keeper and brought us level. From here I was confident we would finish strong and win the game. Unfortunately a defensive error allowed Lower Hutt to take the lead and shortly after Clarkey was sent off leaving us to chase the game. We had one good chance to draw level but were unable to take it. Two disappointing results to start the season but we have plenty of games to come and we are confident of our ability to do well in this league.

FT Stop Out 1 L Hutt 2. Scorer: M Malivuk MOM J Sutcliffe

Central League Rnd 3 vs Tawa, Endeavour Park

With the new surface at Redwood not quite ready our away game against Tawa was moved to Endeavour Park. After the first weekend this fixture was crucial to get our season underway. The first half was very competitive, Tawa pressed well and we found ourselves playing a bit deeper than we would like. Chances were scarce, we cleared one off the line and Abba had a goal ruled out. At half time the game was locked nil all and with some minor changes we were confident of getting a positive result.

The second half was much better, we got the ball into our front 3 much higher up the park and they were causing the Tawa back four plenty of problems. We asserted ourselves in that half but had to wait til around the 70th minute for the breakthrough when Grinner's run and cross was handled in the area and Steve stepped up to convert the penalty. We almost doubled the advantage immediately when Abba flashed a shot just past the post. Dan De Gans had another penalty appeal turned down in the last couple of minutes and we saw the game out for a 1-0 win.

The performance was a great bounce back from the first weekend, still plenty to improve on but a clean sheet and the first win was vital.

C'MON

Where's Rarda?

Our 2014 goalkeeper Mathew Everard might have left the region to continue on his world tour but he still holds a soft spot for the club. And he's definitely spreading the word about the mighty Stop Out to all corners of the globe!

Welcome to Josh Hill

- Nickname: Hilly
- Squad Number: 1
- Date of Birth: 27 February 1995
- Birthplace: Aylesbury, England
- Nationality: English
- Height: 187 cm. Weight: 72kg
- Position: Goal Keeper
- Honours: Represented England aged 11 and 12 in Danone Nations Cup, Oxfordshire Senior Cup Winners 2013, Youth Alliance League runner up 2013 and 2014
- Previous clubs: Oxford United, Banbury United (England)
- Most memorable match played in: Banbury United vs Hereford United
- Favourite players: Joe Hart
- Toughest opponent faced: Dave Kitson, Michael Duberry
- Biggest influence of your career: Des Buckingham
- Sports person you most admire: Joe Hart / David Beckham
- Hobbies: Cricket and golf
- If you could be anyone for a day, who & why: David Beckham. He's just a pure legend..

Women's Central League

Mike Gibbs

The Women's 1st are starting the 2015 campaign in the top tier of Central League football. We welcome on board Ella Vincent-Hyde, Radha McGlashan, Rebecca Williams, Holly Rausch and Lauren Sturgeon to the club in what will be a holding year for all the ladies.

As soon as the draw was released we knew what a battle we were in for having drawn the top four teams in a row. Given that and the fact we were going into the season under strength given the injuries from earlier tournaments our main goal was to minimise any possible damage while at the same time trying our best to secure valuable points or goals in what will ultimately help in our league position come season's end.

The first game of season was away to Seatoun who were last season runners up in Central League. The ladies battled strongly and held out for 30mins before a turn over error lead to Seatoun converting the first goal. With about 10 min to go before half time Seatoun were awarded a corner kick, while new 1st team keeper Natasha Ingram called loud and attacked the ball a mix up in the box saw the ball end up going in and the score was 2 nil at the break.

The main aim was to keep a clean sheet in 2nd half but if we did concede then it was no more than 2 goals. While at the same timeto keep applying the pressure and looking to steal a goal back. Unfortunately inside the first 5 mins a lapse in concentration saw a third goal go in. This did not deter the Stop Out Ladies though as they picked up their game and continued putting Seatoun under pressure. It looked like the game would finish 3-0 but a late goal deep in extra time sealed the fate and final score was 4-0.

Second game of season was our first home game to Massey who over the last five years have been the power house team in Central League. The start of the game belonged to Stop Out but then things got loose with constant balls being over turned and not closing down our opponents quickly enough which leads to ending the first half 4-0 down.

Second half was promising and the ladies managed to get their first Central League goal thanks to Captain Aimee Sanson following up her own shot off the keeper and placing in back of net. Final score 8-1.

So although the first two results may not have gone the way of our girls, there is promising signs to come and with key players returning from injury we look forward to turning the season around. This weekend we are away to Upper Hutt who currently sit second on the table by goal difference in what will sure to be a fast pace encounter.

The club's first ever WCL goal for Aimee Sanson

Women's Premier League

Women's 2nd team this year have been fortunate enough to have been promoted to women's premier league before the season started. This meant a big step up for those players not having played at that senior level before.

Again like the women's Central league side this is a holding year for the premier side which if it can stay up will be a stronger club especially since we already have a team in each of the next two divisions below.

This year sees 8 new players come into the side. Sasha Gray, Erin Fitzgerald, Emily Hume, Cassandra Clendon, Lana Underhill, Sem Olivia Wallace, Britz Kennedy, Sam Swanson, as well as the return of Olivia Ryan and Tara Connell.

The 1st game saw the squad take on newly promoted Petone at Petone Memorial turf. It was the first time the team had played together so there was always going to be a few teething issues. At half time the score was 3-0. Second half started and the Prregs held their own until the last twenty where they conceded a further 6 goals so ended up losing 9-0.

2nd game was a chance to put the first game behind us and look to get points on the board. We fell behind to an early goal to KCU so had to work even harder.

In the end it paid off as Olivia Wallace, new to the club, scored her first goal of the season and helped change the tempo of the game. 1-1 half time. Second half saw the teams go at it, thrust and counter thrust. Late into the half a free kick was given outside the box and was coolly put away by Jamie Bialy! And there you have it, first win of season, three points in the bag, giving the side a world of confidence.

The logo for ASB (Association of School Football) is located in the top left corner. It consists of the letters 'ASB' in a bold, yellow, sans-serif font, set against a black rectangular background with a white diagonal line running from the top-left to the bottom-right.

FOOTBALL SKILLS CENTRE

10 Week Skill Development Programme

managed by

James Prosser & Scott Easthope

assisted by qualified coaches.

Aimed at the elite young footballer looking to learn and develop skills in a competitive yet fun environment.

Session activities are based around individual and small group sessions, incorporating speed and agility training with football related exercises.

Nutrition, academic performance and character building are also included.

Date: **Monday's - 27th April to 29th June**
Wednesday's - 29th April to 1st July

Location: **Hutt Indoor Sports Centre—Indoor turf**

Group 1. 7th & 8th grade (30 players)
Monday's 3.45 - 4.45pm

Group 2. 9th & 10th grade (24 players)
Wednesday's 3.40 - 4.40pm

Group 3. 11th & 12th grade (24 players)
Wednesday's 4.45 — 5.45pm

COST \$100 for 10 weeks.

Contact MEL on 027 470 6493 or footballsillscentre@gmail.com for more info.

Payment details: 01-0530-0095334-05 Incl child's name and Skills Centre as reference.

The Last Word!

The Football Family...

One particular football cliché that I tend to use from time to time is 'the football family'. When I think about it I am not sure that I can even define it. At best I think all those who know and share the game.

Life-long Stop Out fan Mike Barton gives us his personal view on the beautiful game!

This week's men's first team match has got me scrabbling around in a search for that very cliché. The reason being we are playing Wellington Olympic a club that I have always had a certain respect for. In the days of bad hair and synthpop, the eighties if you will, I was living in Wellington and rather than back and forth to train at Te Whiti Park I decided it was easier to play for Olympic. This was not the heady heights of Central League football but somewhere like about Wellington Division Four, or Eight, or Nine. Certainly it was a Wellington based league, that much I do remember. The team had a certain look to it... mostly bad hair, shaven heads, Dr Martens and a Gary Lineker look a like. Whilst I was still at just about every Stop Out match, as long as it didn't conflict with our matches, I made a lot of new friends. We took a lot of our socialising on to nights spots like *Spats* and *Clare's*. Especially Spats. Saturdays at that time seemed to last for an age. After two seasons of that I left and went to England. Staying away for the best part of 20 years.

On return I got straight back into watching Stop Out. I hadn't been back long when we were away so I went off to watch Olympic. There were some older faces there, that I vaguely new. Three of them kept looking over and finally one approached me. He shook my hand and said 'it's been a very long time, where have you been?'. The 'football family' had welcomed back one of their own.

This weekend two others, in particular, of the 'football family' will be at the Hutt Park. Olympic's, and former Stop Out, coach Besim Balicevac and his father George. My partner Kylie still talks about being in a Petone supermarket and hearing two men talking with real passion about strange sounding sports clubs. Then looking around to see who they were and finding Besim and me in full flight. I have seen Dragan Stojkovic play in case anyone was wondering what it was we were talking about. Wait... or it may have been the lack of quality midfielders in the game now. That old chestnut about runners versus players.

In George's case I don't see him as emblematic of Olympic at all but as another member of the football family who is keen to stop and talk about the past and present of the game. We have something of a meeting point. Lower Hutt's Saturday riverbank market where, over capsicums and broccoli, we nut out whether Stop Out or Olympic are worth a weekend's watching. They usually are!!
