## The First Word

## My blood is red... and gold!

It's a warm Hutt Park welcome to the Miramar faithful. For many it's a real surprise to see Miramar languishing down in 8th place in the Central League.

With a just completed O League campaign with Team Wellington and a situation where the Phoenix Youth no longer ply their trade at Miramar and Team Wellington this must have impacted a wee bit on the club's set up. But the reality is that this is a club that does not accept mediocrity or poor results and they're now very close to full strength - so expect a very tough proposition today.

Since our last home match we've had a couple of losses—to Wests and away at Napier in the Cup. Nothing to write home about you're probably thinking. Not so. The match against the high flying Wests, semi-professional Ole kids was a fantastic match that we actually 'bossed' and out played them for large parts of the match - except on the score board. And to see a rattled opposition coach (interesting fellow) was worth the price of the entry fee.

(Note to self. Maybe we should charge an entry fee)

If there's ever a match where you say "Wow, that was a fantastic match where every Stop Out player was outstanding" then this was it!" Ok we lost but there is so much to like about this team, the way they play and many know it's just a matter of time before they click.

Packer on the scoresheet against Napier

And the Napier match followed a similar path. The worst fixture you can hope for in the early rounds of the Cup is an away trip to Napier. The road trip is about as exciting as attending an AGM! And as it turned out we were short on experience with quite a few regulars unavailable. But that didn't phase the lads and again we took the game to our opponents. A 1-2 loss but first team debuts for James Wypych (21), Paul Muwanga (19), and Jack Griffin (17) . Fantastic!

Rest assured today will be a high quality game to end the first full round of this year's Central

League. And with two teams that look to play football there might be a goal or two.

Enjoy our Stop Out hospitality!

## The Napier Perspective—Anendra Singh

Hawkes Bay Today. Monday 1 June

It wasn't always pretty but Napier City Rovers yesterday kept their Chatham Cup hopes alive, thanks partly to goalkeeper Ruben Parker Hanks. "The boys battled hard and so did both teams, but we had the better chances and we took them today," Parker said, adding the Blues didn't drop their heads when the score was tied 1-1 in their 2-1 victory over Stop Out in Napier. Long balls, in particular, kicked in over structure and cohesiveness on the platform of patience when the Wellingtonians equalised. Parker, who parried a jaw-dropping header in added time, said bad habits in patches often crept in but they would savour the victory.

In the 20th minute, Rovers striker Stephen Hoyle put the Rovers up 1-0 from inside the 18m box after drilling a defensive deflection past Hawke's Bay United goalkeeper Joshua Hill.

In the 39th minute, gritty Stop Out striker Martin Packer wormed a shot past Rovers goalkeeper Ruben Parker Hanks to level 1-1. Packer puffed his chest out at the Blue Stadium faithful with a "Yeah!" but the ball had clipped the foot of defender Fergus Neil to deceive the glove man. Rovers broke the deadlock in the 58th minute when midfielder Ryan Tinsley brought a ball to heel on the left flank before angling it acutely to Saul Halpin in the box to deftly slot into the net.

Stop Out captain/striker Micky Malivuk scuttled a golden chance to equalise moments after the kick-off but his sliding effort from point-blank range lacked impetus, allowing keeper Parker to collect. There were another two more golden opportunities to take the game into extra time in the dying minutes. The visitors missed the goal scorer's foraging antics and killer instincts.

Stop Out assistant coach Scott Easthope agreed, adding Packer was a mongrel in their pack each week but a groin strain yesterday left them no choice. "He holds a bit of quality that we rely on in games that are close so, tactically, we wouldn't take a Martin Packer out when we're trying to pinch a goal." Easthope said without injured Andrew Abba and Steven Gulley they lacked pace and artillery in the final third.

"We enjoyed our hospitality here even though the result didn't go our way," he said with a smile.

## Women's Update

Our Central League team are looking for a bit of history tomorrow, out to claim their first scalp at this level as they host Valeron from Palmerston North. The form of the girls has been very good the past few weeks, a 2-2 draw with BNU and going down 2-3 to Moturoa up in New Plymouth.

Goal scorer Lauren Sturgeon

As previously mentioned the BNU game saw a big call from the referee on the six second rule, think he's on the score sheet as an assist for the late BNU equaliser!

Next up was a cold, blustery day in the 'naki that didn't stop a very good game of football breaking out. Our girls were made to pay for a couple of defensive slips in a match they dominated for the most part.

Down 0-2 at the half to two soft ones, it had been an opening 45 minutes which included a missed penalty and a handful of chances for our team. The girls were quick out of the shed after Mike's bark up (escaping the hairdryer) and on the board within a couple of minutes thanks to Radha McGlashan's first goal at this level. Try as they might our dominance didn't translate to the ball in the net for the next 35 minutes or so. With five to go Moturoa got a third, very well taken but somewhat against the run of play.

To their credit the girls roared back, Lauren Sturgeon netting a belter to close the gap and there was still time for a couple of half chances before time was called.

Debut goal for Radha

Mel Mac reaches 100

This weekend we also toast another member of the "100 Club". Melanie Macdougall plays her 100<sup>th</sup> game tomorrow versus Valeron, or that should read Mel Mac plays her 100<sup>th</sup> as those in women's football know her. Mel' has been part of the club since 2010, a key member of the "first" team each year as evidenced by her dominance of annual MVP awards.

From the word go Mel' established herself as a leading influence on and off the field, she was an integral member of the 2010 team that won D1 (and the Cup that year) as well as the Premier League winning teams of 2011 and 2013.

Her 67 not surprisingly means she has scored more hat tricks for the first team than any player, four so far, and my favourite amongst these remains a night up at Te Whaea when she scored a second half hat trick and overcome a 0-2 deficit versus Marist to win the game and march on to the 2011 Premier title. Over the next few weeks we'll highlight another (pending) centurion as well as a number of players reaching the 50 game mark across the wider squad.

And last weekend saw a ripper of a match in the Premier Cup (we are the holders by the way). This year it is of course our reserves charged with the mission retaining the silverware won by last year's first team. Drawn against high flying, unbeaten Petone it was looking mission impossible for the girls in red according to the TAB, but the players and coach Phil Dobbin had other ideas. A stellar team performance, well organised and well disciplined (in sharp comparison to their opponents) delivered a 1-0 win. A superb Olivia Wallis goal wasn't the only difference between the teams on the day and for a few former Stop Out players it wasn't many happy returns for them to Hutt Park.

So tomorrow it's get up and out early, the PL team host a strong Wests side at 11am on Hutt Park encouraged by their Cup win. After that don't move from your spot and cheer on the CL team hosting Valeron before joining us all in the clubrooms after for a refreshing drink.

Life in D2 starts for the Reds with a trip to Petone tomorrow (1pm) while for the Blacks it's the bye for the first week of D3 football.

## 2nd team update

Welcome back to Hutt Park.

Unfortunately the reserves are away

this week at Wakefield Park vs Island Bay, but we will leave you with a recap of our last Capital 2 match vs Stokes Valley two weeks ago.

We knew going into the match that it would be a battle of wills from start to finish of the contest as Stokes Valley has proven to be a formidable opponent so far this campaign. That said, we had complete confidence in our run of form to date and knew that if we put in a complete 90 minutes, the three points were there for us to take.

A few changes to our lineup didn't seem to deter us early on from playing our game, building from the back, knocking the ball around in possession and creating an attack moving forward. All of this positive footballing culminated in first half goals from Jack Griffiths and man of the match Damon Fussell.

Going into the break we discussed putting the first half aside and coming out in the 2nd half to complete our task of taking the three points at the end of the match.

Stokes Valley had a different idea in mind and came out like gang busters after the intermission. They drew the match level with preventable goals on our part. But this is football and no team, especially a senior laden, head strong side like Stokes Valley is, will hand you a game and say thank you. Our group showed resilience

and Alistar Yates showed a bit of class with a free kick from the top of the goal box to put us up 3-2.

However, Stokes Valley were the last man standing at the finish, battling and willing themselves to a deserved 4-3 final.

Our group will take a few lessons away from this match and fortunately we get another crack at this opponent towards the end of the season. The game is never finished until the final whistle, and you must play like that no matter what the score or whom the opponent. Football will reward you in the end if that is your mindset. This group is still sitting towards the top of Cap 2 at the season midway point, and we intend to be there at the end. See you out on the pitch soon and enjoy the match!

James Prosser, Reserve Team Head Coach

**THE TWO BEST THINGS**

**THAT CAN MAKE A  
MAN HAPPY ..**

## Central League Rnd 8 v s Wests. Hutt Park

Welcoming a club like Wests is always a big occasion in our first year back in the Central League. They have been playing some great football this season under Declan and with the Ole Academy so closely aligned.

We had done a lot of work during the week to put a plan in place to get us a positive result and the first half was a good reflection on the preparation.

We were very efficient at limiting the options for Wests to play out from the back which they were having difficulty in answering. As a result we turned over a lot of ball in their half and created enough chances to take the game away from them.

Unfortunately we were unable to capitalise and we went into the break tied at 0-0.

The second half we saw a much improved West's come out. We were forced deeper in defensive positions than we would like and we couldn't assert the same dominance that we had in the first half.

We conceded a scrappy goal with around 15 minutes to go, and although we created a couple of chances late on we couldn't get ourselves level. Disappointing result but a strong performance to take positives from.

Final Score:

Stop Out o Western Suburbs 1

Man of the Match: Brandon Tai

Chris Sambrooke

## Chatham Cup vs Napier City Rovers. Park Island.

After our bye in the first round we got probably the hardest draw in the second round away to top of the Central League Napier City Rovers. Our task was made tougher with injuries and absentees meaning we had to leave 6 players at home which included our captain, vice captain and top scorer. That aside we were still able to select a very strong starting XI which shows the depth that we have been able to build this year.

We started a little slowly and Napier showed early signs of their quality and ability to get numbers forward to support the attack. We grew into the game and when we got our heads around the physicality of the game and interpretations of the laws being put down from the official we began asserting ourselves well.

Napier were first to score which their early play may well have justified, but it didn't take long for us to equalise through a good run and finish from the edge of the area from Martin Packer. Two goals in two games up there for Packer. We took that score line into the break which from the start that we had we were comfortable with.

The second half we really started to play. James Wypych on his first appearance was causing problems and the midfield's quality and work rate really kept the pressure on in the right areas. Napier were always a threat when they could break forward as they would commit 7 or 8 to the attack. We went behind again with about 20 to play as an unfortunate slip let the striker into the area and he finished well.

As the game went on, we introduced Jack Griffiths for his first team debut. After a few early touches he won us a corner and from Sam Pickering's set piece powered a header above the defender on the line but it was somehow saved by the goal keeper. We deserved to take the game to extra time and another "nearly" game was frustrating but a positive outing and onto Miramar next week.

Final Score: Napier City Rovers 2 Stop Out 1

Scorer: Martin Packer. Man of the Match: James Wypych

## RAFFA Stats

This edition Raff has updated the list of youngest players to debut for the first team.  
Highlighted players are still at the club.

### Blast from the Past

## MOERA'S EASY WIN

Moera Stop Out proved too good for Miramar Rangers, winning by 8 goals to 3. For Moera, Bold (4), Griffin, Jeromson, and Claridge scored goals, and Hicks (Miramar) put through his own goal. For Miramar, Mouatt scored two goals and Donoghue one.

**EVENING POST 19 MAY 1941**

This was a Wellington Division 1 match played at the Hutt Recreation Ground on 17th May 1941.

## The Last Word!

### Bogged Down

The U20 Mens World Cup is in town. It has so far amongst the people I talk to stimulated some discussion about playing standards and how it is just so unlikely having a World Cup in New Zealand.

*Life-long Stop Out fan Mike Barton gives us his perspective on the beautiful game!*

Growing up as a teenager the little we got about world football came mostly from a magazine called *Shoot*. It was a good read but limited our world view to football from mostly England, The odd but of Scotland did sneak in now and then. The real exceptions were the pictures of World Cups and, in my memory, men in the shirts of Brazil and Italy. It took us an age to get to grips with the pronunciations of names like Jairzinho and Fchetti. Even now I remember the breaks in the endless kick arounds, at what is now the Open Polytechnic, where the chat always veered to exoticism of a World Cup and whether we would ever get to see one. The thought of one ever coming to New Zealand, as far as we can recall, never entered our thoughts. It was a case of going away, far and overseas, to see something on that sort of stage.

So last Saturday night I was at the stadium in Wellington ( re-branded as part of the FIFA 'exclusion zone'. ) watching Panama play Argentina followed by Ghana against Austria. In the break between the matches we were talking about how good the standard was. At its simplest we were saying that back at U20 level we would never have been even close to that standard. More so even our , in NZ terms, elite players. This lead us to how much better standards are in New Zealand now. We now have players who can compete at very high levels. Beyond that and not just in the playing sense but in the facilities and infrastructure sense. We had a good chuckle when Ron recalled that we were just about old enough to have used the old leather lace up balls on truly boggy pitches. These got heavier on wet days the longer the match went on. Followed by the pain of meeting the laces whilst heading. ( For myself, I remember taking a goal kick and the ball not clearing the edge of the penalty area. )

Besides facilities and infrastructure there are now good coaches about. Coaches full of differing ideas from differing arenas. That we thought has to be healthy.

As for the two matches themselves, on Saturday, the skill levels and athleticism were, as you would expect, very high. Panama against Argentina was one of the best matches I have seen in a very long time. Highlights, for me. Firstly, the clever way Argentina let a winger continually have space for his cross. Secondly, the super technique and power in Panama's second goal. Lastly, being in amongst the crowd of Ghana supporters for their match. Funny how the drumming and singing managed to chase away the effects of the one thing that doesn't change in Wellington football watching, the wind and the rain.
