@redgoldblood

The First Word

My blood is red... and gold!

It's a warm welcome to our friends from across the Hutt river for our last home match for 2015. Stop Out and Petone have a long, proud rivalry based on mutual respect. Having similar philosophies helps and the club's are both riding the wave of success at present.

Our season continues to go from strength to strength and our last two matches are testament to that. It's no coincidence that it's only been since the Wairarapa match that the coaching staff have finally been able to pick a team from a near fully available squad of players.

And from the get go this was never a group that focused on survival—which is the trap so many clubs fall into on achieving Central League status. What's also pleasing to the Stop Out faithful is the style of football being played; attacking and positive football which is a far more exciting spectacle than the long ball option we often see.

Petone too have scored some impressive victories this season on the heroics of Van Elia's goal scoring feats. And the dogfight for 4th place adds some spice to today's match where both teams could so easily play within themselves with the safety of mid table already achieved.

And last weekend saw our Women's Central League all but confirm their status for 2016, An extraordinary achievement when the opportunity to play Central League was offered 3 weeks before the season started. The team has held strong through adversity and have achieved their goal for 2016. Questions have to be asked at Federation level about their commitment to the development of Women's club football when there seems such a disparate focus on the Women's versus Men's game. A lot of the drive in the Women's game is coming from too few clubs, and Petone only know that too well. Their Women's team will probably, maybe, perhaps face a playoff to enter Central League next year, not sure when? But who really knows with Valeron apparently set to call it a day.

Perhaps another Stop Out versus Petone battle is on the cards in 2016? Here's hoping.

Enjoy the match and enjoy our Stop Out hospitality.

Women's Update

Here we are already writing the last programme notes of the season, where did the winter go?

Last weekend was an absolute cracker for our Women's teams (and the tireless management team assisting the four teams). On the side-line for the CL match versus BNU it was very encouraging to see our girls not only match the physicality of their larger, older opponents but also outwit them with some bright football, width in their game and when it mattered two clinical finishes.

We must have been good, because true to form the BNU coaching team took to blaming the officials for everything going wrong – I think even climate change and the rise of ISIS got blamed on the 3 officials at one stage. The win of course secured CL football for our girls next winter, leaving BNU to battle Valeron for the wooden spoon (and relegation). Our CL team will now enjoy a week off before wrapping up the winter with a trip to struggling Valeron on August 9th and then host Moturoa on the 16th to bring the curtain down on a satisfying first ever season in Central League. From my point of view it's been a terrific effort by the players and Mike and his team. The challenge was huge to survive at this level with next to no preparation after the shenanigans of the pre-season.

This Sunday our attention is the Premier League team, well marshalled by Phil (and Craig) the team have really come together in the last month or so of football. Again, it was a tough start to the winter as the team "stepped up" at short notice to compete in this year's Premier League. Their recent performances have included wins in the Premier Cup against Petone & University and so this weekend they take on Wests in the final, scheduled for a 1pm kick-off at Maidstone turf. A noisy crowd of supporters would be appreciated as the "reserves" look to retain the trophy won by our "first" team of last year.

Our Reds and Blacks teams head into end of year Cup tournaments for the last few weeks of football. The Reds have a tough ask at Petone tomorrow, but again like the Premier League team this is a group that is really starting to gel under the guidance of Terry and Dean – so anything is possible. The Blacks have the challenge of the Wgtn United team and who'd ever bet against Angus and the girls causing an upset - not me.

Enjoy your weekend folks and perhaps you can take your lead from an old mate from Master's football days....tell the missus you're out walking the dog by the river ... then toss the dog in the back of the car and miraculously appear at Maidstone to watch the game (plenty of fences to tie the dog to!).

Brendan Marsh

Central League Rnd 13 v Wairarapa United, Hutt Park

Coming off a disappointing draw with Tawa we knew we needed a good response against a strong Wairarapa side to keep up our hopes of a top four finish. The weather wasn't great in the lead up to the game and the conditions were going to be less than ideal on our home ground. We tried to put that out of our minds and focus on the best performance possible.

Chris Sambrooke

We started brightly, moved the ball well and were getting the ball into dangerous areas. We took the lead early on through a goal keeper error providing James "Poppa Smurf" Wypych with the chance to finish. We only held the lead briefly as Wairarapa created some danger out wide to level the game. We pushed on and started to take control of the game and exposing the wide areas that their midfield diamond allowed us. Micky was able to turn and shoot to give us the lead back around the half hour mark, and with 5 minutes until the break Brandon Tai (not a typo) curled in a great goal to extend the lead to 3-1.

At the break Wairarapa brought on Paul Ifill to get them back into the game but before he could affect anything Wypych scored after 90 seconds of the restart to make it 4-1. From there we were rarely threatened other than from one header from 3 yards that Josh Hill miraculously kept out. Wypych completed his hat-trick with a fantastic run and finish to complete the scoring at 5-1.

It was a great team performance, defensively we were solid, our front three worked hard and were rewarded with the goals but man of the match went to Martin Packer, who's work rate and quality was incredible.

Next up Palmerston North Marist away.

Final Score: Stop Out 5 Wairarapa United 1

Scorers: James Wypych 3, Micky Malivuk 1, Brandon Tai 1

Man of the Match: Martin Packer

1st Stop Out goal for Brandon

Central League Rnd 14 v PN Marist, Memorial Park (Palmertson North)

We travelled north to take on one of our bogey teams. After beating us in the 2013 Central League Playoffs, they knocked us out of the Chatham Cup in 2014 and took out the first round encounter in 2015 so we felt we were due to knock them over. Coming off a great performance the week before, the plan was to continue the run at a tough place to play.

The game started fairly scrappy, Marist were aggressive in the tackle and looked to get as much pressure on the ball at all times. Until we got into our flow we were a bit patchy in possession. The first goal came from a good deep cross that the keeper missed and left Micky at the back post to nod home. We really grew from there and settled well and took control of the game. We extended the lead before the break through another Micky finish doubled the lead.

The second half followed much the same pattern with two quick goals coming from Micky to complete his hat-trick and Wypy for make the score 4-0. Although we created a few more chances Palmerston North Marist scored the last goal of the game in the last minute. We were disappointed not to keep the clean sheet but overall happy with the result.

Man of the match was Micky Malivuk who has been superb in recent weeks, he is up to 9 goals in the Central League for the season.

Final Score: Stop Out 4 Palmerston North Marist 1. Scorers: Micky Malivuk 3, James Wypych
Man of the Match: Micky Malivuk

Women's Central League v BNU, Hutt Park

Last weekend saw the Women's Central League side take on BNU on what was sure to be an entertaining day of football on a windy and sometimes rain hit match. Following on from the Premier's fantastic 2-1 win against University we had a plan and team formation that initially scared the management team with an ultra attacking approach. The plan in place, the wheels were set into motion. New captain Bex Williams won the toss and going with the wind, we turned on a very attacking display of football. With three at the back, we pushed players forward and spent 35 mins of the first half camped in BNU's half.

The first goal came from a lovely break down the left hand side, a switch across the back line, down the right hand side to Katie McKenzie who in turn played a lovely ball for Mel Mac to run onto and take the ball deep into the 18 yard box before crossing for a waiting Radha McGlashin to finish off. The second goal came deep into the first half with another play down the left hand side and a ball played back to the edge of the 18 yard box for a first time strike by Lauren Sturgeon who sent the ball screaming past the diving keeper for a 2-0 half time break.

In the changing rooms we very happy with the way we were playing but we just asked to tighten up on defence for the job we would have to do into the wind. Second half started with a lot of possession but we were unable to finish off more chances. BNU did have more chances in the second half but was not to be for them. So a comfortable 2-0 win and 6th on the table with two games in hand and also confirmed Women's Central League in 2016

Player of the match went to birthday girl Sophie Burley who had an outstanding game today along with Bex Williams (2 points) and Lauren Sturgeon (1 point), This weekend the team has a bye before games against Valeron away on the 9th August in Palmy and then our last league game at home on 16th August against New Plymouth's Moturoa. And then a home semi final in the Kelly Cup the week after against Western Suburbs. Exciting times!

Russ Burley loves Coventry, Stop Out, whiskey and...

Sophie's football journey to Stop Out Women's first ever Central League season started 18th October 1998, when she was six years old. She sat with me in the raucous atmosphere of the West Terrace at Highfield Road, wearing a Coventry City shirt with 'Sophie' and the number '6' on her back, joining in the chanting and watched as Dion Dublin scored the only goal in a 1-0 EPL win over Sheffield Wednesday.

As she started playing football at school it was obvious she was a defender and it wasn't long before she was berating the Coventry defence on Saturdays for not picking up forwards or playing attackers on side! In 2003 we started Stratford Ladies U 12's with a bare 13 players, playing Warwick, Leamington, Redditch, Evesham and others. The next year half the team and some new recruits went into the U 14's League, where we were up against academy sides from Aston Villa, Wolves, Birmingham and....Coventry City.

The first game didn't go well, we travelled away to Coventry with just 10 players and lost 3-0. Surprisingly, the girls still wanted to play the next week and we decided to switch to a 5-man defence and play Soph as a sweeper. It was a huge success as the now 11 players only lost 1-0 to Wolves! The following week 1-0 against Villa and how the girls celebrated that goal! Week four Walsall at home and the girls were beginning to understand the new system and we got a 0-0 draw. Soph the sweeper was born!

We moved to New Zealand in 2005 and Soph started playing for Chilton, where one of the coaches was a certain Mr Canton. One Sunday morning he gave me call, could Soph play for Stop Out? For some reason she wasn't keen but was persuaded to 'play a half' and made her debut at Trafalgar Park alongside the likes of Brooke Mildenhall, Alana Marsh and Steph Bremner – all of whom are still playing for Stop Out. And there was also someone else there, a guy called Brendan Marsh, 'Mr Stop Out' as far as the Women's side of the club is concerned. It's been a great roller coaster ride since then as we guided the team up the divisions, battling with the likes of local rivals Eastbourne in the early days. Apart from their postage-stamp sized pitch, I remember a thrilling 2-1 Cup Final win at Hutt Park.

We've seen the Women's group grow to 4 teams and 60 players. Great memories along the way, including winning the Premier League in our first season with a hard fought 1-0 win at Waikanae and the famous Russ - Brendan 'man hug' at the final whistle! Heartache of losing Central league play offs to the likes of Valeron and then the excitement of finally making CL this season.

It's been a tough season as we knew it would be, but confirming CL status for 2016 was our goal. And me and Soph? I'll keep supporting the ladies and texting score updates to Mr Canton every Sunday. Naylor Love are now a club sponsor but Craig tells me I still have to put out flags and take down nets in all weathers! And I'm so looking forward to another 10-hour round trip to New Plymouth next season with Mr Marsh for company!

Soph was the third Women's player to crack 100 senior games for the club and the race is on to be first to 200! Against BNU at the weekend, she was doing what she does best - playing in the heart of defence, using her speed and ability to read the game and snuff out attacks. She was named Player of the Day on her 23rd birthday, which made me a very happy supporter, sponsor and dad.

So how long before Stop Out Women win the CL? Don't rule it out and hold on tight because the roller coaster ride hasn't finished yet!

? ? QUIZ ? ? ? ? NIGHT ? ?

STOP OUT Quiz Night

7pm Friday 7th August 2015, Clubrooms, Hutt Park.

- Happy Hour 6-7pm
- Teams - maximum of eight
- Cost - \$15 per team member
- Food - supper provided
- Loads of fantastic prizes and auctions

Cell phone google cheats will shout the bar!

Marty's men roll on

It just keeps gettin better for Marty Dutton's Capital 6 side. An emphatic 3-0 win last weekend against second placed Tawa and they're inching closer to the title.

The crazy thing is they will play their third 'home game' of the season at Memorial on Monday night! — Don't get us started on the logic around scheduling when there's no 2.30 game on HP3 today!

So a win against Lower Hutt and it's celebration time with the seagulls at Memorial — but Cap 5 in 2016.

Capital 6 - 2015	P	W	D	L	F	A	GD	Pts
Stop Out	14	13	1	0	67	7	60	40
Tawa Bears	14	10	0	4	42	21	21	30
Nth Wgtn City	13	9	0	4	55	31	24	27
IBU Dreamers	14	9	0	5	43	22	21	27
University	14	7	0	7	28	44	-16	21
Nth Wgtn M	14	6	1	7	35	35	0	19
Wainuiomata	14	4	1	9	27	42	-15	13
Marist	14	3	1	10	25	61	-36	10
Lower Hutt	14	2	2	10	30	55	-25	8
Petone	13	2	2	9	23	57	-34	8

A long time between drinks.. So let's have a double!

Before the Wairarapa match it's been an incredible 22 years since we've scored a Central League hat-trick. Matthew McLaughlan scored 3 in a 3-3 against Raumati hearts on 12/04/93 at Hutt Raceway. Then of course James Wypych was on the mark to score a glorious hat trick in the 5-1 demolition of Wairarapa United. And as fate would have it, the following weekend Micky Malivuk scores another hat-trick in our great 4-1 away win at P Nth Marist. Way to go!

One incredible stat involves the Fussell siblings. Whilst the Women's records don't identify first team matches both Cathy and Jess Fussell have 81 Women's appearances each (although both have played a large number of first team games) With Damon's 49 1st team appearances they have a combined family total of 211. And Damo's the eldest at just 23! Plenty of football left in those three!

Life-long Stop Out fan Mike Barton gives us his perspective on the beautiful game!

The Last Word!

Last orders? You what?

In checking the programme before writing this I near died of fright. It seems that this will be our last home game of the season. It's far too clichéd to say this but let's say it anyway...time flies. Further proof

that is the case is in the fact that I found myself in sports shop, a week ago, buying a football for my daughter Phoebe. How she has got to the age of three also gave me a fright. Time flies. Phoebe came to the match, at Hutt Park, against Tawa and saw a little guy near her own age, kicking a ball about outside the clubrooms and mentioned this to her mother a couple of times. We felt this was a clear sign she was READY. The ball already has scuff marks on it from being battered around the garden and the house and the park.

Chris Canton has already asked the question to which the answer is, she is right footed. It is probably a blessing because, wild hypothesis here, left footed players seem to have to spend some time in their playing career in the left back position. My hypothesis may not entirely sound but bear with me. Coach at school saw me kick with my left foot (I could always use both) and suddenly I am a left back. Jordan Martens turned up at training, in Palmerston North, coach spotted his left foot and bang. If I am not mistaken the first time I saw Steven Gullely play it was at left back.

Older fans will think of Maurice Tillotson. Tyranny of the (right footed) majority. Then again , clearly, there is something of an 'over supply' of the right footed football resource globally. That said, I know plenty of right footed players who have never had a shot at right back despite having played for what seems like eons. From now on we should speak of the 'left back phenomenon'. There is also this point. A friend was telling me when she first started playing football the coach asked was she right or left footed. He answer was that she didn't know. She had grown up playing with, and against, her brother and his mates. The brother was terrifically two footed. I once saw him take two penalties in one match. First with left and second with right. So friend had never seen him favour a foot and she had done the same. Visual learning I suppose.

Moving on from that, having overheard this discussion at the Under 20 World Cup, is the surprise that still exists that so many players even at very high levels of the game are one footed. The discussion was not just about one sided dominance but about players that can only use one foot.

That reminds me of Geoff Brand who played for Stop Out from 1970 to 1973 and only had one foot. Ask anyone who saw Geoff's 1972 winner against Eastern Suburbs if it really mattered.
