FIRST WORD

MY BLOOD IS RED... AND GOLD!

It's always exciting when the new season rolls around. For the Stop Out faithful in behind the scenes, the busiest period for the club is always the off-season so with all the planning and organisation behind us it's a sense of pride and relief that the new season is upon us.

Now all teams in the club have kicked off for the year there's much that's new for 2017.

The first is our new senior home and away playing strips. Our traditional club colours of red and gold are far more prominent. The gold got a bit lost over the years but is back with a vengeance as modeled in last weekend's match against the Phoenix.

We've also launched our new player development programmes for twenty of our young aspiring youth footballers. Named '1919' in honour of the year Stop Out was formed, it is being run by Head Coach Adam Reynard and Cherbel Khouchaba with support from Manager Alistair Yates.

Junior Coaching Director Adam Reynard is sporting a newly decal laden Stop Out vehicle. You can't miss the van - and we want it to be visible around town.

And you'll no doubt notice the refreshed match day programme. This year we have ramped up our communication to all members and have a greater profile on FB, Twitter and Instagram.

We will also be sending out more E-newsletters.

The matchday programme for those that still like to hold something in their hand still has its place and will continue.

New in 2017 is our top Women's League renamed the W league being played on Saturday's. This is a positive initiative and one we promoted to get a closer engagement between our Men's and Women's club. Today our ladies take on Wendy Henderson's Upper Hutt side. And so refreshing to see former international Sarah Gregorius giving back to grassroots football and playing again for Upper Hutt.

And something new in 2017 is Team Taranaki back in Central League. Last time we met was in 2008, sadly the year we were relegated.

Taranaki had a solid 1-0 win last week so will provide stiff opposition today.

Good luck to all players and enjoy our Stop Out hospitality.

MICKY ON TARGET!

IT'S ANOTHER MILESTONE FOR MICKY MALIVUK

On Saturday he scored his 50th Stop Out goal with his brace against The Phoenix.

A model of consistency Micky scored 11 in 2013, 11 in 2014, 14 in 2014, 12 in 2015 and 2 already in 2017.

And a phenomenal stat, Micky has scored those 50 goals in 64 appearances. That's a staggering goal every 1.28 appearances.

Keep them coming!

WOMEN'S REPORT

2017 sees the introduction of the new W-League being played on a Saturday where Stop Out will compete with Wellington United, Upper Hutt and Seatoun from the former Women's Central league along with the Winners of Capital Premier in 2016 Wairarapa and a representative from Palmerston North over 3 rounds.

Again it a time of rebuilding and developing both coaches and players. We have lost 20 senior players this season so because of this and the fact that our first team are safe from relegation for the 2017 season we are fortunate enough to be able to give Dennis Tapp the reigns of 1st team coach as well as giving as many of our younger players the opportunity to play against the best in the region.

Dennis has been assistant coach with the Women's 1st team for the past 2 season and now is the time to help develop his coaching and hand over the reins.

Dennis's first game in charge was against last season Central league winners Wellington United. The result was not a flattering one. Coach Dennis said "Well No Excuses, just a hard lesson KEEP TO THE GAME PLAN which we didn't and we paid the price for it".

Today's game doesn't get any easier as we host Upper Hutt which has ex-football fern Sarah Gregorius in the squad. Upper Hutt are coming off a great 2-1 win over Palmerston Marist and will

be looking to keep their momentum going while Stop Out will be looking to put a halt to this and kick start their own campaign.

Our Women's 2nd team after turning down playing in Premier League have entered the season in Women's Division 1. Last weekend they took on Wellington United at Hutt Park and dominated large parts of play but unfortunately sometimes the best teams end up on the wrong side of the ledger with a 3-1 loss. This week they head out to Wakefield Turf to play Vic Uni and also look to kick start their campaign.

Finally our women's 3rd team is entered into Women's Division 2. They ventured out to Delaney Park last weekend to play Stokes Valley. It was an entertaining game where the points were shared and ended 1-1. This Sunday they play hosts to Naenae at Hutt Park and look to go one better.

We hope that all players and coaches have a great season and welcome both Upper Hutt and Naenae to Hutt Park this weekend in what surely will be entertaining football.

WOMEN'S 3rd TEAM

MATCH REPORT

The date was 2 April 2017, but maybe it should have been 1 April 2017, as the Women's 3rds took the field with no idea how the game would go (April Fools). Historic records (2016) had Stokes Valley as convincing winners, so the team were obviously a bit nervous. The exciting thing was, all of us knew it was a new season, with a bunch of players that were out there to have fun and enjoy the game, win or lose.

Every player in the team performed well. With Ali Cameron running all over the field to close the Stokes Valley players down, GI (Lisa-Jayne Carter) beating numerous players down the right wing and Alana Marsh beating everyone to the ball in the right attacking corner. Aria marked out their number one player throughout the game and with the support of Brooke, Jo, Janae, Hannah and Ann managed to keep their team scoreless. That was until our keeper took a player out in the box and gave Stokes Valley a penalty (It wasn't my fault though).

Mid field ran like there was no tomorrow! Pushing forward and running back. Gemma, Pippi, Ali and GI took control of the game which reduced the pressure on the back line.

Nicola worked hard up front and never looked like she was tiring. It's great to have her back at Stop Out and I think if we give her a little bit of time, she will be contesting for Golden Boot for the women's teams. Mars demonstrated great skills when taking a free kick, which set up our only goal by Alana Marsh. Our newest member to Stop Out, Giovana impressed up front, scoring a goal which was disallowed because apparently she was off side. I just think that she is a really fast runner.

There is one other person I need to acknowledge in my match report and that is Mike Etridge. He has kindly given up his time to coach us this season.

FINAL SCORE: 1 – 1 TO US AND STOKES VALLEY

Stop Out v Wellington United (Phoenix) - Newtown Park

Opening day of a new season is always an exciting time, and a trip away to Wellington United off the back of their Hilton Petone win was always going to be a tough fixture to open with. We have had a busy summer and were excited to get new players Kade Schrijvers, Jono Steele, Jerram Tuck, Brayan Heredia, Levi Mcfarlane as well as the returning Cherbel Khouchaba involved in a competitive match day for the first time.

We started positively in the first five minutes and got the ball into dangerous areas early, but for the next fifteen United settled the better. We defended well but could have been more accurate with our passing and more patient in possession. As we started to get a hold of the game we opened the scoring, Kade stepped out of the back four well to win possession and moved the ball forward. He continued his run and brought the ball down in the box for Jerram to get a strike on target and for Micky to round the keeper and slot home from the rebound. Within ten minutes we had doubled our lead, a Martin Packer corner was flicked on by Kade at the near post for Micky to put away. Just before the break Steve Guley slotted home a penalty after a United defender had handled on the line.

The second half was a bit more of a physical battle. There were very few chances being created until late on when Levi powered past his defender and smashed the ball past the keeper to give us a full time scoreline of 4-0.

The result was a great one to open the campaign. We limited a very technically gifted side to few chances and when we had the ball we looked a constant threat and were clinical with the openings that we did have. We are looking forward to our first home game of the season against Team Taranaki who have also returned strongly to the Central League with an opening win.

Final Score: **Stop Out 4 v Wellington United 0**

Scorers: **Malivuk 2, Guley, McFarlane**

UNDER 17s

Another new season for our U17's has come around quickly! We have built on the immense success of 2016 and we are now in a position of having four sides entered into the U17 leagues - a wonderful outcome. It is particularly pleasing to see many familiar faces back for another year plus some new faces eager to join the group.

Last week at Hutt Park saw three sides play at home, with one side having the bye. Our A side welcomed Wellington Olympic for their first game of the season; 'the Greeks' have a side full of Kaizen Academy Capital Premier players so we knew we were in for a tough game. 2-0 down at half time the boys regathered with a slight change in game plan, Jack Antonopoulos once again showed his prowess in front of goal to reduce the deficit. Following on from some great play in midfield, we were awarded with a free kick some thirty yards out from goal. Max Odgers stepped up and incredibly score a sensational free kick, sparking great scenes amongst the players. As Olympic took the lead once again, Diego Rodriguez stole the ball from his opposing player before dispatching a low drive from outside the box into the bottom corner. This was a classic see-sawing match full of tension and excitement. Our opponents took the lead once again with a few minutes to go, before we were again awarded a free kick from 25 yards out. Up stepped Odgers, who astonishingly struck the bar with another sweetly struck free kick. A final score of 4-3 to the Greeks in a great second half performance.

Our B side had a challenging outing against North Wellington A. A final score of 6-2 wasn't really a true reflection of the performance - Robin Gibson with a Man of the Match performance in the right back position.

Our C side faced tough opposition in the form of Douglas Villa, with the opponents being made up of several representative players and showing the benefits of having spent numerous years together as a group. Darren Butter was making his coaching debut for the club, which has been a massive coup for the group. Despite many new combinations throughout the side, our boys put in a committed and professional performance against the lads from over the hill. Olaa has shown great promise throughout pre season and once again backed it up with a passionate display up front. Ben Cushman was having a hugely impressive first game for the club, but he was not to be outdone by his older brother who put in a Man of the Match performance. A final score of 7-0 was a tough one to take, with a late flurry of goals giving a false representation of the game.

Youth football is never a continual slope of success. Rather, there are always set backs and slight dips in the slope which are part and parcel of the game. We are more than content with the effort and development that our boys are continually showing with many new faces this year, and it is a credit to them that they have quickly bought into the Stop Out Way. And our returning players deserve great credit for the way they have welcomed new players into the group and shown them what it means to play for our great club.

THE PAST AND PRESENT

STOP OUT FAN MIKE BARTON GIVES US HIS PERSPECTIVE ON THE GAME!

At the end of February the club had a special visitor. Colin Barton, son of Keith Barton was back in New Zealand, from Australia, for the first time in many years. As part of his journey he came to the clubrooms to look around and indulge in a spot of nostalgia. His last visit has been some time in the eighties. Keith Barton, Colin's father, is the holder of the record number of first team appearances for Stop Out. That total being 246 matches.

What was he like as a player? Maurice Tillotson, the first team coach from 1974 until 1979 said 'Keith Barton was a courageous and tenacious ball winning midfielder who never shirked a tackle, and always looked to play the uncomplicated pass'. For myself and my friends, all teenagers at the time, Keith offered a new dimension from the sideline. The iconic player with the hunched shoulders, overhead kicks and most of all the sliding tackle. If you want to get really hyperbolic this from some called 'Stop Out' on an internet forum "You could learn a lot about the art of defending just by watching him in action. He and Bobby Almond were the two best defenders in NZ back then in my completely biased opinion." Keith arrived at Stop Out as a defender, a right back, and then became a midfielder.

Keith started at Western Suburbs and played in the back to back Chatham Cup finals of 1970 and 1971 for them. His move to Stop Out in 1972 was, as I recall it, something of a welcome surprise for us. By that I mean both fans and club. A signing of quality is always welcome.

Russel Gray, once the sports editor of the Dominion Post, told me that Keith was besides a

decent player a great analyst of the match. I sat in on one post match interview where Keith was explaining what had led to Stop Out conceding a goal. He broke it down to a move that had failed quite a bit before conceding. Not just the hasty pass in the few seconds before. He put it that the squad had emphasised an aspect at training to stop that error having, for want of a term, a ripple effect.

Keith played in the seventies National League that many older fans will regard as the halcyon days of club football in this country. Again from Maurice Tillotson, as he explained recently when talking of Gisborne City's crowds at the time put it "(a) Matches were played in the Winter months. (b) Rugby was played only on Saturday's (Football on Sunday's). (c) No weekend shops or businesses open. (d) No football (Soccer) on TV. Oh I almost forgot; there were some decent individual players and teams who attracted people to matches!!!!!!!"

The short time that was Colin was here talking over his dad's time at the club brought, rushing back, a whole heap of memories of names, faces and places. In short, our thanks to Colin for bringing his father back.
