The First Word

My blood is red... and gold!

So how do you measure the success of your football club?

Playing numbers, results, facilities, size of your Junior club, success of your first teams? Yep all of those things are integral to making a club successful.

Interestingly many clubs in our region that are successful on the field have no official ground (or share one). Have no real clubrooms (or share one—or don't use it!) Many clubs are focused primarily on the results of their first team (mainly Men's football) and still see themselves as successful.

What's interesting about our visitors today—Wainuiomata—is that they are one of the few clubs around that like us at Stop Out have a strong community focus.

We are driving our "Football for All" philosophy throughout our Junior, Men's and Women's clubs. All ages, genders, abilities; any-one of any ability is welcome!

And it's not just players. We want parents, supporters, mates to enjoy the Stop Out experience. Yes we know our fields, facilities and clubrooms are second to none in the region. Ask Jimmy McCreadie and he'll say "Second to none in New Zealand!"

But a club is more than just "bricks and mortars" and results. Absolutely it's important that you have top notch facilities and a hot shower after the game. And yes, every Stop Out team definitely go out to win every game! But if your club doesn't have a heart then give it away to join a soulless club. There's plenty around!

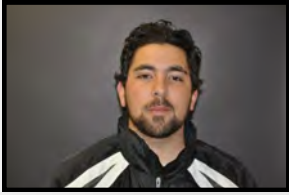

Good to see "Sully" bounce back from the ugly incident that saw him end up on the Dominion front page. The things you do to get noticed!

I believe Wainuiomata AFC have that same philosophy. It's refreshing to know there are clubs around that still see success is about the passion and loyalty shown by club members to support their club through thick and thin. I know there are certain clubs that would love to "take over" the region and create a Super Club.

Well that'll never happen when there is passion and fire in the belly of club men! (and women that exist in both clubs. Imagine Lenny Blackman wearing Canary Yellow!

So to this afternoon's game. Play hard. play fair and wear your club shirt with pride. Then share a beer and a laugh at the after match.

Great to have the 'nui at Hutt Park.

28th April 2012 vs Island Bay (Hutt Park) 0-2 Loss. MOM: Nathan Canto

Scotty's view

The early stages of the game were very niggly and both teams were breaking up attacks with fouls. Both teams were having their fair share of possession but not managing to create many clear cut chances until Island Bay managed to work the ball forward to James Wypych, he made himself a half yard and shot the ball across the keeper and into the far post corner of the net, 1-0 Island Bay.

The game then struggled its way through to half time with some scrappy play, again a lot of the time play was being broken up by consistent fouls.

We came out early in the second half and put some pressure on Island Bay with some better build up play but still couldn't manage to get the ball in the back of the net.

Half chances to Martin Packer and Matt Gasper came and went and we were still being frustrated with consistent fouls breaking up attacks. Midway through the second half Island Bay got a rather hopeful ball into the box that was not dealt with and allowed to bounce, Jamie Mason was then deemed to have committed a foul on the Island Bay striker in his attempt to shield the bouncing ball, as it was in the box a penalty was given, another very harsh decision that does not seem to often go our way. The penalty was converted well and Island Bay were 2-0 up.

This saw us come into our best patch of the match and we really started to get the ball into the attacking 3rd a lot more frequently. Island Bay were sitting deep and looking to hold on and we were taking advantage of having a lot of possession.

Unfortunately for us this period of play did not last long enough as Adam Church was then sent off with around 15-20 minutes still to play for a rather silly retaliation to one of the many poor challenges in this game. That effectively also saw the end of a last major push from us in this game and before we knew it the game was over. Another disappointing result but still some encouraging signs starting to appear.

Chatham Cup

Vs Western Suburbs (Chatham Cup)

MOM - Martin Packer. Goals - Martin Packer x 2,

With our recent results in the league being below par, today's Chatham Cup game gave us a fresh chance to focus on a good performance in a game that some people maybe didn't expect us to win. Both teams made it clear early on that they were keen to try and maintain possession on what is a very good Hutt Park surface.

Our first goal came from some getting some consistent and decent balls into the box, Wests didn't clear the ball far enough and it fell Martin Packer on the edge of the area, he touched the ball inside and bent a great curling shot into the top left hand corner of the Western Suburbs goal, 20 minutes played, 1-0 up. Martin's goal managed to get rid of some of the nerves we seemed to be playing with and helped the game open up. Both teams were still moving the ball well but we were now starting get in behind them a little more and create chances. Our defence was also looking very solid after a shaky early start where West's managed to get behind us a little too easily at times.

MOM Martin Packer

Master and Apprentice...

Now dominating the game our midfield was winning a lot of ball and moving it well into the wide areas. Alistair Yates was also very busy and bringing people into the game and it only seemed a matter time before we got another good chance. 10 minutes later we got that chance, another ball into the area that this time found its way to Steve Gulley who clinically slotted his finish into the bottom corner for a 2-0 lead. With halftime approaching Wests managed to get the ball into our penalty area, the ball was cleared to just outside the area, unfortunately for us it went straight to a Western Suburbs player who lashed a first time shot that riffled past Vinnie Godwin in goal, 2-1 at halftime. The half time chat was a good one for us and we came out in the second half in a confident mood.

Unfortunately that didn't turn into goals for us and then midway through the second half Blair Easthope was given his second yellow card and we were reduced to 10 men.

We still continued to defend strongly and our centre back pairing of Captain Jason Tipping and young Nathan Canton were keeping the result confidently in our hands .

The only goal of the second half came from Martin Packer and was straight from a corner, he swung the ball in and it went past everyone and into the back of the net, 3-1. That's how the game finished and deservedly we had won. Some really good performances from all round the park from us today. Vinnie made some excellent saves early in the game to keep us ahead at a crucial time and the back four defended well for most of the match. Our midfield of Beezer, Steve and Martin were outstanding today and I was very happy with the work rate of all our players.

Goal sequence: Martin Packer scores the 3rd and decisive goal direct from a corner kick!

Dominion Post article

Stop Out off to a stunning Chatham start

14/05/2012 SAM WORTHINGTON

Stop Out have provided the biggest upset in the opening round of the Chatham Cup, eliminating three-times champions Western Suburbs on Saturday.

West's, who most recently won the national knockout competition in 2007, are currently mid-table in the top-flight Central League, while Stop Out are languishing in eighth in the second-tier Capital Premier division.

But all that counted for nought as Stop Out's Martin Packer scored one cracking goal and one lucky one in a 3-1 triumph at Hutt Park. "We definitely entered with hopes of winning it," said delighted Stop Out co-coach Scott Easthope, whose brother Blair was sent off midway through the second half.

"That made things tough but that's probably about the point we changed the game and really took hold of it. The other 10 worked a bit harder and we scored with 10 so it probably had a positive effect which is odd but how it panned out."

West's also finished the game with 10 men and Easthope said the visitors "looked far from impressed" after the final whistle. "As you would expect, a Central League club are never going to enjoy losing to a Premier club." Packer bent the ball inside the far post from outside the box for his first goal while his second came direct from a corner. "To be fair he was probably a little bit lucky but you take them all," Easthope said. "He was trying to swing it in right on top of the keeper and it went over him and in."

Stop Out now wait for the identity of their next opponent in the June 4 second round.

The Lower Hutt club is not a stranger to Chatham Cup success – having lifted it way back in 1956 – and while they are a long way from returning to those glory days, Easthope said they were moving in the right direction.

"It's a fantastic club, the last few years they've really made a big push and a plan to go forward. We've had a bit of a disappointing start to the league and that was a lot of the motivation around the game. In the Chatham Cup you get tempted to try a few things, in a low-risk environment, where maybe a few people don't expect you to win.

6

But we went with a full strength lineup in the hope that a good performance would help turn the season around. We're hopeful that that will happen because we're working really hard at the moment."

Women's Premier

Stop Out 3 University 1 (2-0)
Maddy 2, Bowden 1.

University came to Hutt Park as top of the table, scoring freely in a bright start to their season. We recall two tight encounters last season where the spoils of battle were shared & the girls are ready for another tough game. We spring a few positional changes on the team – and juggle a few absences, illnesses and injuries on a blustery Sunday afternoon.

We start well, footing it with our opponents and are first to settle into the game. With Maddy in a new role supporting the two up front and the work of the two Mel's behind her we put the defensive line of Uni' under some pressure – there's a couple of chances scorned, a couple of close calls & good saves from the Uni' keeper in the first quarter. At the back Cathy & Steph' starve the Uni' strikers of any width to work with – while 'Tash in goal commands the area & deals comfortably with any pressure. We're about 20 gone when Nicola fetches a loose ball before it slips over the goal line and cuts it back into the path of Maddy – who fires our first into the net. Over the next twenty minutes we continue to shade the possession but can't find a way to add to our tally, Alysa is introduced to good effect – and the two Mel's are full of verve and attacking endeavour. Just on the stroke of half time Nicola collects the ball on the edge of the box and slaps it top left – nothing but net – we have a 2 goal advantage at the break.

The job is not done & the team are up for the toil of an improved Uni' who now have the zephyr at their backs, but the defence of Sophie, Dani' and April is imperious – body on the line, defending on the front foot play to admire. Kathryn, looking as white as Casper, takes a well earned break for her and her vomiting virus – and we roll some subs. The fresh legs of Amalia & Kelsey ensure we are not just defending, but creating some attacking opportunities – but it's Uni' that score with a free kick to make the side line sweat. No such worries on the pitch though – Maddy breaks up their defensive line and is very cool as she scores when through one on one with their keeper – and we have restored the two goal cushion. The afternoon's scoring is done – and a team with an average age of just 17 - (plus an excellent April) - is congratulated on a fine team performance. Last week's Cup match at Central League opposition Valeron, proving to be excellent preparation for this encounter.

Hard to separate a fabulous team effort, but this week 3pts for Mel Mac – amazing workload & leading the team effort on the pitch, 2pts for Danielle and more headers than the rest of the team combined I suspect – 1pt for Maddy, two well taken goals and handled a new role superbly.

Youth focus paying dividends

12 teenagers appeared in the Women's Premier squad that played against Victoria University last Sunday.

Alysa 14. Maddy 15. Nicola, Danielle, Amalia, Kelsey 16. Cathy 17. Steph, Tash 18. Sophie, Mel Mac, Mel O 19. Kathryn 21. ..and April.. (30 mumble)
They're going to be good when they grow up!

Veteran Steph Bremner (at 18!) played her 61st Senior game last weekend

Cherbel Khouchaba became our youngest Senior Mens footballer when he came on against Western Suburbs in the Chatham Cup game on 12th May 2012. Cherbel was 14 years, 33 weeks and 6 days.

Here's some interesting facts from our stats guru!

The 2011 game in the long grass at Richard Prouse

Steve Gulley scored his 45th Goal for the club in the Chatham Cup tie against Western Suburbs.

He is now equal 3rd with Derek Gibson-Smith on the club's all time goal scoring list. Interesting fact is that they both took 79 games to get to 45 goals.

One major difference—Derek was a striker!

Steve scores another one. This was part of the 16-2 Chatham Cup demolition of Paekakariki.

Wynton Rufer Tournament

The recently completed 16th Annual Wynton Rufer tournament was another roaring success!

The decision was made to move the tournament to an earlier than usual; a late April timeframe. And it proved to be an inspired decision!

The weather gods shone down on Hutt Park for both competition days

Over two Sunday's 67 teams of 7th/8th and 9th/10th grades competed for bragging rights and winner trophies. And guest appearances from Phoenix and All White heros Mark Paston and Ben Sigmund made the day a memorable one for our future superstars!

Beat Mark Paston 1 on 1

Goal bound vs Ben Sigmund!

A huge crowd enjoyed the day

How many men does it take to put up a marquee?

If all else fails read the instructions!

5 hours later... It's done!

The Last Word!

Time and the blurring of memory.

Being a Stop Out fan is getting to be hard work. Why? Well bear with me and you may get my drift. I think it possibly may be an age thing.

*Life-long
Stop Out fan
Michael Barton
shares his views
on the
footballing
world!*

An ‘age thing’ in the sense that, over time, you get to watch more and more games and sadly, some of them become a bit of a blur. I was just in conversation with Alastair Robb and, as you do, we were trying to discuss some of the more memorable matches that we have seen Stop Out play in. Al has got a huge memory when it comes to football and there are some who say that I have good recall. Our chat pointed towards a failing of our collective memory!

In the eighties, 1984 we think, Stop Out played Rangers, from Christchurch, in a National League playoff down in Christchurch. Being good keen fans we flew down with the team and received what we wanted, a win for Stop Out. Al and I know we won 2-1 but there now seems to be a certain haze to the sequence of events. Bearing in mind at the final whistle we were jubilant I would have expected us to remember more. What is clear to the two of us was that, of what we remember, it was a good match.

Possibly the best moment of the match involved Gordon McAbney, one of our defenders. After the match referee had awarded a goal to Rangers, dubiously and an own goal to boot (we think) Gordon ran to the touchline to tell Gary Fleet, one of NZ’s better referees, who was merely spectating that “you should be on here” in pretty emphatic terms. We do remember Alan Harrison, our goalkeeper, being less than impressed with proceedings.

Then we equalised and got a penalty. Al and I have no clear idea in what sequence this happened. Either way by the time the two events passed it was 1-1. Our collective memory says that Steve Boyland missed the penalty and maybe Phil Abraham scored the goal. I do recall Keith Barton turning his back to not watch the penalty and when it was missed, the guy next to me shouting to him “you didn’t miss much!” Strangely I thought that was funny at the time.

Sometime after this Stop Out scored what proved to be the winner. This was scored by Steve Boyland and the Stop Out fans were jubilant. The chances of the Rangers fans being excited were about nil. Our guess is that there had only been about fifty people who bothered to turn up to the football. This was the closest Stop Out fans have ever got to chanting ‘you’re supposed to be at home’.

In order to highlight the memory problem Al went away and found the match day facts. The match was played on October the 6th 1984. Final score was Rangers 1 Stop Out 2. Cowan scored for Rangers. Dave MacIntyre and Phil Abraham scored for Stop Out.

Saturday 19th May

Marist vs Stop Out.1 2.30 Crawford Green

Round 6 v Vic Uni Beavers at Hutt Park Saturday 12th May 2012

This had all the signs of being a great game; two teams in second and third place in the league respectively and on equal points. We were expecting a young, dynamic University team to turn up and play against us. Unfortunately, the Beavers turned up to Hutt Park with 11 defenders and set out for a draw from the first minute of the game.

Again in the first few minutes of the game, we looked far and away the better side despite some loose passing at times. We managed to break the opponents thick defensive wall on several occasions before a searing run from Adam Reynard resulted in a fantastic goal from a tight angle to put us up within 20 minutes. After this, we became frustrated by a number of late challenges by the opposition which went unpunished, and several dives that wouldn't have looked out of place on the diving board at the London Olympics. Our increasing frustrations were further compounded when Uni managed to put the ball in the goal with what was clearly a handball.

The referee wasn't in a position to see the handball, and the seriously unsportsmanlike behaviour of the opposition showed once more as they claimed the goal rather than admitting the handball. Our bad day was made worse when we conceded a second soft goal after a mix up between keeper and defence. Fortunately, half time arrived and we knew that with the wind behind us we could make inroads into the sea of green defenders.

We came out in the second half all guns blazing and were unfortunate not to score on several occasions. The goal did eventually come, and it was definitely worth waiting for. Adam van Baarle who had reluctantly moved into right midfield to cover an injury picked up the ball inside the opposition's half before drilling a shot past the hapless keeper from the corner of the 18 yard box. Upon reflection, we could have, maybe should have scored more, but with the injury list the length it currently is 2 all isn't a bad result.

We remain third in the league with a tough game against Marist (who claimed second place with a win against Tawa) next weekend.

Final score - Stop Out 2 - 2 Vic Uni

**Goal scorers - Adam Reynard 1,
Adam van Baarle 1**
