Stop Out Sports Club

@redgoldblood

## It was a very successful weekend across the club.

The first team had a controlled 2-1 win against Waterside at Karori Park in the Central League where we scored all three goals.

Our youthful reserve team picked up their first point of the season with a 2-2 draw against Wainuiomata's 1st team.

Mark Meo's third team scored their third win of the season to go top of Capital 4 and Hayden Thorne's side recorded their first win of the season in Capital 6 - although that was after a default from University.

The Reds and Blacks recorded victory's in their Masters games but the big match of the weekend was between the Women's 2 teams with GI's Legends battling Phil Dobbins Reds. More on that later in the programme.

Today we host Napier City Rovers, and a special mention to our groundsman Kevin Wakefield from Downers.

For some unknown reason there has been an AFL tournament scheduled over the last 4 days on Hutt Park 1 and Hutt Park 2 and Kevin only got access to prepare the pitch late yesterday.

Talk about over and above the call of duty and we value his efforts to prepare the pitch to as high a standard as he can. Thanks Kevin.

Our visitors today, Napier after three comprehensive wins, are coming off a loss to Declan Edge's Ole. Always a challenging match but it sounds like there were some fireworks in the match-off the pitch.

Napier have a different look than in previous years but still retain a large sprinkling of overseas talent. There is no doubt they will be smarting from their first loss of the season.

For us, we share the best defensive record in the league and are continuing to improve in every outing. But we really haven't hit our straps with a consistent performance for the full 90 in any match this season. Maybe it will be today.

It's early days in the league but there already seems a definite top and bottom half forming. And with just 3 points separating first to sixth we're in for an exciting few weeks ahead.

***Welcome to Hutt Park, enjoy the football and our Stop Out hospitality.***

# STOP OUT MEN'S 1<sup>ST</sup> TEAM

## Stop Out Men's 1<sup>st</sup> Team vs Wairarapa United - HUTT PARK

Coming into this fixture against Wairarapa we were in a confident space on the back of two wins to open this season. We were however under no illusions that this would be a different type of test for us and we would need to be at our best to get the result. Unfortunately for us we were far from our best in possession early on in this game.

On the back of a cagey start we gave up possession with a mis-placed pass too close to our goal and the Wairarapa striker rounded our keeper and finished nicely to take a 1 – 0 lead. With a couple of chances coming for both sides and neither side taking any, this would be the way the first half ended.

Coming out for the second half 1 – 0 down we were still confident we could get plenty from the game if we could tidy up in possession and be a lot more positive. That's exactly what we

did, and we were starting to dominate large parts of the game with a load of possession and plenty of pressure mounting. Wairarapa seemed fairly content to try and see out a 1 – 0 win and were not pressing us as high up the field. After a few fresh legs were introduced chances started to come. Unfortunately for us we weren't good enough in the final third and when it counted to take any chances we had worked hard for. With the game on a knife's edge a ball was lofted forward by Wairarapa and on the back of what I believe had been a foul on our centre back, the

ball made its way through to the Wairarapa striker in the box. On the back of a challenge by one of our centre backs it was deemed that challenge was a foul and a penalty was awarded. Paul Ifil stepped up and despite a great effort by James McPeake in goal, the penalty was clinically put away and we some how found ourselves 2 – 0 down. Despite our boys pushing hard through to the final whistle, this would be the way the game would finish.

At the end of the day, we didn't do enough to win this game and no one moment cost us the game. It was still very pleasing to see our side lift in the face of their toughest test yet. While disappointed not to play well enough today, it will certainly drive us to be better next week against Karori. Man of the match went to Jonno Steele on the back of a very strong performance at center back.

# MEN'S CENTRAL LEAGUE

## Stop Out vs Waterside Karori - KARORI PARK

Today we arrived at Karori Park coming off our first loss at home to Wairarapa. Our first loss of the season motivated and drove us through a good week of hard work on the training paddock. The newly promoted Karori team lead by their new coach Rupert Crump would likely need no motivating as they have had a tough start to their first season back in CL.

A positive start from our team came on the back of some good high pressing defensively from our team. After creating some good early pressure we managed to win the ball high up the field. We worked the ball out to Jordan Martens on the left, and after taking a couple of touches inside his marker he unleashed a good strike across the keeper and into the far bottom corner for a 1-0 lead.

We continued to take a strong hold on the game and were again very organised and composed defensively to keep Karori's wide threat at bay. Despite creating a number of chances in the first half, we failed to convert with a couple of missed placed headers and some good scramble defending from Karori. Halft time 1-0 to us.

The second half kicked off with more of the same from our perspective. We continued to be positive and created more chances to take a further lead. Unfortunately we continued to be a little wasteful in front of goal and with Karori starting to mount more attacks, we were beginning to become frustrated. We did eventually gain a two goal advantage after again working the ball wide to Cherbel who showed some patience to work a pass across the box to Steve Guley. Steve controlled the ball nicely, played a sharp one/two with Micky Malivuk and finished nicely to give us a 2-0 lead.

The well worked goal didn't have the desired effect on our players who seemed to drop off a little in an attempt to close out the game. Karori

started to throw caution to the wind and started to enjoy more possession as a result. James McPeak continued to organize a strong defensive performance and with Kade, Suttly and Jono all performing their roles nicely, we didn't look like conceding. With 10 minutes to go in the game, Karori worked the ball forward to their lively winger. He cut inside towards a hard working recovery run from Sam Pickering, and somehow out of the attempted tackle, the ball came off Sam and carried over James McPeake and into to the net for an extraordinary own goal. 2-1 with 10 minutes to play.

After managing and closing the rest of the game out well, the game finished with a 2-1 win to us. I was extremely impressed with the groups work this week. We were great from the first training session of the week and throughout most of the

90+ minutes on the Saturday. It was a strong group performance and so was difficult to pick a man of the match. James was great when required in goal. A good first up performance from the returning James Sutcliffe was a huge boost to the team. Jordan Martens busted the game open with a great piece of play to get us an early lead. Steve Guley provided some good attacking play from midfield and Micky Malivuk was also strong up top in open play. Man of the match went to Sam Pickering who has now had 4 strong performances in a row to start the season and was again a strong presence in midfield.

We look forward to our next challenge of Napier at home on Wednesday.

Scotty

Final Score: **Stop Out 2 vs Waterside Karori 1**  
Man of the Match: **Sam Pickering**

**We scored all 3 goals in the Waterside match. Jerram and Steve for us and Sam with an exquisite 40 yard chip over Jame's McPeake for a great own goal.**

# WOMEN'S 2

## Stop Out Legends vs Stop Out Reds - HUTT PARK

It was a top of the table clash made in heaven. The newly named but not newly formed Stop Out Legends attempting to defeat the younger, (mostly) Stop Out Reds.

The Legends totally dominated the first 20 minutes but found Jemma Browne in goal an immovable force. Some point blank one on one saves kept them in it.

Coach Dobbin threw out the "lets have fun" pre-match speech and got the Reds more focused. And they exploded with two quick goals to Ri after a delightful build up and finish and Jaylee from long range. Ri is an outstanding prospect and will be in the first team very, very soon.

But the Legends are made of sterner stuff and a concerted push saw them equalise after firstly Kath in her 150th Stop Out match forced a mistake

from the keeper and then April Gallagher scored from the spot after a penalty decision.

2-2 at half time and all to play for.

The second half was end to end with both keepers making some great saves. The winner came after an outstanding save from Legends keeper Hannah who could only parry it for Jaylee following up like all good strikers should to score the winner.

3-2 final score.

A match played in great spirit and both teams still fill the two promotion spots which occur after the first round of seven matches.

Final Score: **Stop Out Legends 3 vs Stop Out Reds 2**

Player of the Match: **Katherine Farmer (Legends) Jacinta Bowden (Reds)**

# ANZAC DAY

MIKE BARTON

The writing of this page is usually, more or less, straightforward. An idea always seems to come to mind and can be, for the most part, easily followed. However, for this week's programme the writing has been a bit more problematic. Today is Anzac Day and as the NZ History website says...

**"it marks the anniversary of the landing of New Zealand and Australian troops, popularly known as Anzacs (the acronym for the Australian and New Zealand Army Corps), on the Gallipoli Peninsula in Turkey in 1915".**

To go ahead and write without mentioning the day would have been difficult. I thought it might be interesting to find some links between the local game and the people who went to Gallipoli. Clearly there will be some personal links, now gone family and friends, but the broader links are not there. The historical websites like Te Ara and NZ History mention something of the other codes that held greater sway in public imagination in early 20th century Zealand.

The most direct link that I can think is a Wairarapa based friend. We played football together in the eighties and close to one Anzac Day he told, myself and some friends, of his two uncles then very elderly and living 'over the hill'. They both suffered, at the time some near seventy years later, problems with their feet. The result of standing in sodden trenches after having moved on from Gallipoli. My friend had some medical training and would give some times to visit his uncles and look after their injuries. We both considered the fact that at the same age that they were sodden,

miserable and under fire our biggest difficulty was getting to Houghton Bay for training. Or, as was equally likely, whether 'mouldies' or 'screw ins' would be a better choice for Saturday.

In my first visit, to Liverpool in England, way back in 1982, my uncle introduced me to some neighbours. Ostensibly, my visit was to talk about their early memories of Everton FC and Liverpool FC. Most of those assembled were in their late eighties. The memories and anecdotes were mostly of the changing face of the city of Liverpool, including the football teams, but they all harked back, at some stage, to their war experiences. Not just as serving soldiers, in the Great War, mostly in France and far from Gallipoli, but as those under bombing in their home town in a war that came after. I still remain fascinated by the words of one man. He seemed to notice that I had felt a bit, I guess, uncomfortable and he told me along the lines that follow. He would far rather hear young men talking about football teams, the matches that they had seen, rather than the things that he had seen and felt. Things like damp trenches, the fear and the death of good people.

Further, that 'kicking a ball around with your mates and then talking rubbish afterwards is more of a blessing than you may know'.

## CONGRATULATIONS

**Congratulations to 4th team coach Hayden and Chloe Thorne on the arrival of their new baby girl Millie.**
