- All coaching is to occur from the side line.
- 3 points are awarded for a win, 1 for a draw and 0 for a loss. Scores for a defaulted game will be recorded as 2 - 0 victory to the opposing team.
- There are no restrictions on squad sizes however it is recommended that squads be no larger than those indicated in the table.
- Rolling subs are allowed throughout the game.

## Referees

The *home* team (the team named first in the draw) will referee the first half, and the *away* team will referee the second half. It is the responsibility of the referee to ensure that all players are wearing shin guards and no items that may be of danger to themselves or opponents.

## Goal differential

**Please note: The winning team in all games will receive a maximum goal differential of 3.**

So if a team wins 8 - 0, it will be recorded as 3 - 0. If a team wins 8- 2 it will be recorded as 5 -2.

Within the spirit of the tournament, please respect the thinking behind this rule and use the opportunity to give game time to all members of your squad.

## Presentation

The team that finishes top of each pool will be awarded certificates at the end of the day. Pool positions will be decided by the highest points. In the event of teams having the same number of points, the position will be determined by goal difference, then the pool result between the teams and finally, the toss of a coin.

Teams/clubs are responsible for basic First Aid. However, there is limited First Aid available in the clubrooms.

## Registration fees

Payment is required to secure your place in the tournament. All entry fees must be paid two weeks prior to the tournament date. Registration fees will not be refunded if a team cancels within two weeks of the tournament or if the postponement day is required and a team is no longer able to attend.
