FIRST WORD

MY BLOOD IS RED... AND GOLD!

As the excitement builds for the start of the 2022 football season, there is also an air of trepidation.

Even with Covid still very much part of our lives, this season is likely to be different.

In 2020 and 2021, the Covid impact was simple. We were either in lockdown or not - playing football or not. With Omicron it has changed the football landscape and in 2022 we are likely to see impacts to team lists on a weekly basis, with a magnitude we've never experienced before.

However it has been satisfying in pre-season to observe our First Team compete admirably with up to a dozen players out on certain weekends - with injuries, work commitments and Covid isolation.

Adversity can shape you as an individual and a club, and with players unavailable it creates opportunities for others to shine. It helps to galvanise our teams and reinforces our strong club culture and ethos of supporting our fellow Stop Out's.

It also highlights the hard work that has been going on over the last five or six years in our 1919 development space. Every year we are seeing more and graduates moving into senior football ready for the next challenge.

So let's enjoy today's matches at Hutt Park as the Reserve Team welcome the Kapiti Coast United, and the First Team host Seatoun.

Who knows, we may have our next home game at Wakefield Park on a Monday night at 7.45pm!

Welcome to Hutt Park and enjoy our Stop Out hospitality.

A REMINDER

Please respect the opposition players, coaches, supporters and especially the match officials.

ENJOY THE FOOTBALL

CHRIS CANTON

SEASON PREVIEW

MEN'S

WELCOME BACK TO ANOTHER SEASON AT HUTT PARK. THERE IS NO BETTER DATE ON THE FOOTBALLING CALENDAR THAN THE OPENING DAY OF THE SEASON, PARTICULARLY WHEN WE GET TO OPEN IT AT HOME.

We have been fortunate to welcome in some new additions to the First Team squad, as well as some familiar faces. Mike Hagarty returns to the club after a stint in the States, as does Jared Cuniff after a year away. Finn Moore joins the club from Miramar Rangers, bringing with him a wealth of Central League experience. Jack Mawdesley is another new face, a Wellington local who has spent the last 3 years down at Otago University. Our goalkeeping stocks have been boosted with the arrival of Joe White from North Wellington, and Calum Murphy from Ole Academy.

In keeping with our ethos as a club, we have also promoted from within. Isa Prins, another product of our 1919 Academy, has signed his first contract with the club after an impressive pre-season. Jack Morrissey, captain of our title winning Reserve Team in 2021, is also rewarded with a spot in our squad. Steve Guley has dusted off the boots and returned to playing, while remaining a key part of our coaching team as my assistant.

Throughout pre-season we have been able to cast our net far and wide across our talented playing group. Regular appearances for youngsters like Niko Sarich and Ethan Bingham have been well deserved, as well as Reserve Team players such as Lachie Bruce, Shikane Tuhoro, Dylan Edwards, Cole Krech-Watene and Harry Bloomfield. We are really pleased with the depth we have at the club, which will be so important for us this year.

Chris Campbell is returning in his valuable role as Goalkeeper Coach. Cambo is an immensely popular figure within the group and I am stoked to have him back. Paul Commerford once again returns as First Team Manager, tasked with catering to the needs of the players and keeping me grounded when I get over excited. Capital 1 winning coach Jake Ward has joined our staff as my assistant, providing a different set of eyes that has thus far proved to be extremely valuable.

SEASON PREVIEW

MEN'S

Following on from Jake's decision to step away from full time coaching, Camilo Ardiles has joined the club as the new Reserve Team Head Coach. Camilo has fitted in well with the players and staff and we are delighted to have him onboard. Javed Koya has also joined the club as the new Third Team Coach, a vital appointment as the boys find themselves in Capital 3 for the first time.

Our pre-season campaign has been a bit of a mixed bag, with several Covid related disruptions affecting our ability to roll out a regular eleven. On the plus side, this has meant we are giving plenty of opportunities to our players, and they have responded admirably. We notched wins over Central League opposition in Western Suburbs and North Wellington, as well as today's opponents Seatoun. Defeats against Wharfies and Lower Hutt gave us plenty to think about and work on. We are in a position now where we are happy with our work so far, but know the real work is just beginning.

We are under no illusions; this year is going to be tough. Capital Premier is a difficult league to break out of, with so many teams vying for promotion to the Central League, and the opportunity for National League football. I feel that we are better for the experience of 2021, and it will serve us well as we seek to return to the top tier of football.

A warm welcome to Seatoun A.F.C, it's great to see a club with such rich history back in the top tier of Wellington football. A special welcome back to Martin Packer, who will line up for the opposition today, having spent many years at Hutt Park.

A final thank you to the Committee for the work they do behind the scenes. The fact the club has continued to sail smoothly through the choppy waters of a global pandemic is a testament to the dedicated team that we are fortunate to have at the club.

We can't wait to get out on the pitch and start getting to work. See you in the clubrooms afterwards for a beer!

LOOKING AHEAD

DIRECTOR OF FOOTBALL

WELL WHAT A YEAR 2021 WAS, ONE THAT WAS INTERRUPTED BY THE MOST USED PHRASE OF THE LAST YEAR 'COVID'.

Moving on, we are so excited to be back out on the pitch and at the clubrooms doing what we love; football. Welcome to all our new, and existing club members and guests. We are proud to call Hutt park home and will be looking to make this the most hospitable club in town, except when we're playing, then it's the fortress.

We are stoked to have back on board the majority of coaches and directors that we had last season. Alistair Yates again leads our Men's First team, supported by the great Chris Campbell, Steven Guley and Jake Ward – some team that! Our Men's Reserve Team have a new name at the helm with Camilo Ardiles joining us from Victoria University. Camilo is a local to Lower Hutt, and we hope you grow to call Hutt Park home! Our Third Team are led this season by Javed Koya, who has recently left his position at Hutt Valley High School where he coached their First XI. Javed is no stranger to the club, having coached our 14/15s last season, and is very familiar with our players through various roles, welcome Javed!

In our men's space we also welcome back the Steamers, spearheaded by the lovely Matt Henderson, and Minimal led by U17 legend, Aston Hughes. Both these teams won promotion last season, with the Steamers choosing to play in Wellington One, meaning our Thirds have a chance to stake their claim in Capital Three this year. We also welcome a new social team to our club, the 'yet to be named' group consisting of a group of great lads from Hutt Valley High School. Welcome fellas!

Our women's programme is once again headed by the ever-popular figure of Pedro Garcias. If you know any females interested in playing the game, tell them to get in touch, it's a great vibe with some fantastic people involved. Our growing girls' space has seen us create a new role called 'Girls Only Lead' which is occupied by Cole Gwilliam. Cole, a former Stop Out junior, youth and

men's player joined us last season from Petone, and was instrumental in growing the space. Finishing the year with 2 Girls Only teams, and a heap more joining now, we are well and truly growing the female game. Congratulations on the new role Cole.

We are lucky to have such a supportive committee and club. We are thankful for all the work put in behind the scenes to make this club operate. Giving back to something such as our club shows the kind, caring, and can-do attitude that it takes to be a true Stop Out.

I for one am optimistic about the coming season, for what it will bring both on and off the field.

I am keen to meet and connect with as many of you as possible, so if you see me around, don't hesitate to come and say hello.

Enjoy your weekend here at Hutt Park.

ADAM REYNARD

JUNIOR DIRECTOR OF FOOTBALL

JAKE WARD

OVER THE YEARS WE HAVE SEEN PEOPLE CONTINUALLY PROGRESS INTO COACHING AND MANAGEMENT ROLES THROUGH OUR CLUB. THIS SAYS TO ME THAT WE HAVE A PEOPLE CENTRED MODEL, FOCUSED ON GROWTH AND DEVELOPMENT OF INDIVIDUALS, AND GIVING OPPORTUNITIES TO THOSE DESERVING OF THEM. THIS YEAR IS NO DIFFERENT.

The club would like to welcome Jake Ward into the role of Junior Director of Football for 2022. Jake steps into the role after Jack Morrissey has moved into our Social Media & Marketing role, whilst continuing to coach our U12.

You will be no stranger to Jake, who has progressed from when he started our first intake of 1919 as a player, joining from Wainuiomata Football Club. Jake has lead various 1919 groups, and Stop Out Sports Club youth teams, and last year led our Men's Reserve Team to becoming Capital One champions.

Jake will oversee our grassroots age groups at the club, implementing training programmes, growing our coaches, numbers, and hopefully leading football in school sessions. The big step the club is looking to take in the junior space is the development of the NZF Skill Centre. Watch this space.

Congratulations on the new position Jake, we can't wait to see the juniors back out on the pitch for 2022.

BEHAVIOUR

A REMINDER

As we head into a new season, the committee would like to remind everyone about expected behaviour at matches.

A REMINDER

Please respect the players, opposition players, coaches, supporters and the match officials.

Disrespectful behaviour, particularly towards referees and match officials will not be tolerated. If you are coming to support teams playing at Hutt Park or at other grounds we ask you to act respectfully at all times.

The NZ Football Code of Conduct requires us a club to:

Encourage their members and spectators (as appropriate) to abide by the Code of Conduct and take reasonable steps to ensure such compliance.

Be fair, considerate and honest with others.

Resolve conflicts fairly and promptly through established procedures.

Maintain a safe environment for others.

Under Capital Football Regulations, the club could be fined if there are continued incidents towards a referee, player or official.

We want to create an environment at the club where supporters, players and families can come along and feel safe and enjoy the football.

If you have any questions in regard to this policy, please email chairman@stopout.org.nz

Kind regards,

STOP OUT EXECUTIVE COMMITTEE

IN MEMORY OF...

BRENT HAMLIN

1963-2022

We recently marked the untimely passing of Stop Out legend, Brent Hamlin.

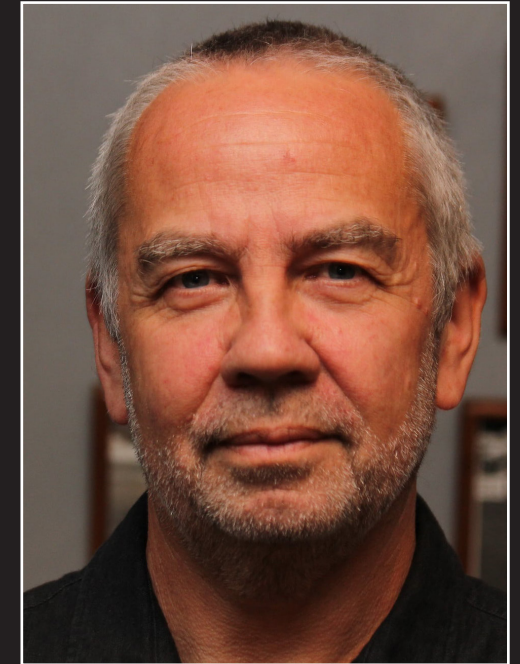

A man of immense compassion, humility and a deep care for others, Brent will be greatly missed.

Brent has been a part of the Stop Out fabric for decades. He was integral in resurrecting the club in the 90's when we were at our lowest ebb. A quiet achiever who balanced pragmatism with logic and a great contributor to the success we see today.

Brent was also the Chairman of our Stop Out Supporters Club (SOS) from its inception in 2012. Life Membership was a given and Brent leaves a legacy as a great Stop Out.

We will miss you immensely Brent.

GIRLS FOOTBALL

1919 & GIRLS ONLY

A NUMBER OF OUR GIRLS HAVE BEEN INVOLVED WITH THE GIRLS 1919 PROGRAMME, ALSO THE CITY LEAGUE SUNDAY COMPETITION THROUGHOUT SUMMER. WE'VE BEEN IMPROVING IN A NUMBER OF AREAS, FROM DRIBBLING WITH THE BALL, TO GREAT PASSING AND COMMUNICATION.

We've had the opportunity to apply the skills that our great Coaches, Dad (Cole), and Jordan, have taught us when we're playing at City league on Sunday's. The competition is mainly filled with boys teams.

Last Saturday we hosted a 'have a go day', for Women's and Girls month, we had girls attend who hadn't previously played Football, I was really proud of them because they tried their best even though they were a little shy.

We had 17, of our 1919 Girls running different 'Have a go' stations, we enjoyed encouraging new girls, and giving them tips that we had learnt.

We're also fortunate to have Katie Barrot, and a number of the Girls Phoenix youth team players, take time out of their day to visit. It was awesome, as we were able to ask questions about their experiences, and also kick a ball with them.

I think it's awesome that we now have great role models to look up to.

Before they left, we all received a signed poster and Football each.

WINTER SEASON 2022

This season I'm really excited about to be apart of a 10th grade Girls only team playing in mixed grade on Saturday's.

I am very proud to be apart of this team because I know we are ready for the challenge, and look forward to proving Girls can mix it with the boys!!

I'm also proud of Stop Out for supporting this great idea and for giving us Girls the opportunity to improve long-term.

GIRLS ONLY SUNDAYS

This season we'll have team's participating in Girls Only Football in the 12th, and 14th grade.

And with the increase in interest we are hoping to fill a spot in both the 8th, and 10th Grade.

I'm really looking forward to playing against the boys, having fun, and proving that Girls are capable, and can achieve great things working together!

I look forward to completing further reports throughout the season.
