FIRST WORD

MY BLOOD IS RED... AND GOLD!

It is a warm welcome to Matt, his Whanganui Athletic players, staff and supporters for this second leg of the Central League Playoffs. It was great to finally make our way up to Whanganui for the first leg last weekend, after all the drama of previous weeks. On behalf of my players, staff and supporters, we thank Peter and Matt, as well as the wider Whanganui Athletic club, for their warm welcome and outstanding hospitality.

It has been a long, hard season, with plenty of ups and downs. There is nothing that can prepare you for the emotions that come from winning the league, finding out a week later that it may be taken away from you, only to have it confirmed a week later. The way the players have taken it all in their stride speaks volumes about the level of resilience this group possesses. For me, it is this resilience that won us the Capital Premier League this season.

It would be remiss of me to forget to mention the loyal following this team has had this year. 40 people made their way up to Whanganui over the weekend to support us; this was a humbling turn out for the group. It is great to see such a broad demographic amongst this group of supporters, demonstrating that our efforts to re-engage with our fans over the last few years has been hugely successful.

For our boys, today is a culmination of all their hard work and commitment over the course of the season. As a coaching staff, you can only lay the foundations for how you want your side to play, act and represent the club; it is then up to the players to build the rest. I am proud of the way that these players have taken on the challenges we have set, to build something that is very special indeed. The most exciting aspect is that we are just getting started.

The tie is finely balanced, and last weekend's match showed two sides who are more than capable of making the step up to Central League football. We are certainly planning to go all out in our attempts to get this club back to Central League for 2023. Thank you for coming on this journey with us, and we can't wait to continue on this road together.

Please enjoy the game, and enjoy our Stop Out hospitality.

A REMINDER

Please respect the opposition players, coaches, supporters and especially the match officials.

The team was founded in 1929 as Wanganui East Athletic, but briefly changed their name to Wanganui FC between 1974 and 1976 before reverting to their original name before dropping the East to just become Whanganui Athletic.

Athletic hasn't played Central League football in 30 years. The club last challenged for Central League in 2014 after winning the Federation League and coincidentally matched Stop Out Sports Club for the play-off tie. Stop Out proved to be at another level at the time winning the tie 9-0 over the two legs.

Whanganui Athletic earned their spot in this season's

Central League playoff having won the Central Federation League going undefeated. They finished their season with an impressive goal scoring and defensive record having a +41 goal difference.

Star striker Joshua Smith scored 13 goals this season which earned him runners up in the league's golden boot. Head Coach, Matt Calvert, plays for the team as goalkeeper. His performances between the sticks have been instrumental in the team's 8 clean sheets this season.

We congratulate Whanganui Athletic on being champions of the Central Federation League.

LEG 1 VS WHANGANUI ATHLETIC

MEN'S FIRST

AFTER A STRESSFUL FEW WEEKS WHILE WE FOUND OUT THE FATE OF OUR SEASON, WE FINALLY FOUND OURSELVES UP IN WHANGANUI FOR THE FIRST LEG OF THE PLAYOFFS.

The bulk of the side travelled up the day before, as we sought to acclimatise ourselves to our surroundings.

Wembley Park was looking an absolute picture as we made a few changes to the side. Sam Wright came into the sticks in place of the departed Sam Martin, while there was a start in midfield for Gunny.

Despite the raucous home crowd, we started the game very strongly, taking control and putting the home side under immense pressure. Our good start was rewarded in the 19th minute, as a cross from Finn found its way to the back post. The defender made a hash of his clearance, where Gunny was on hand to slam the ball home. We continued to press well, with another couple of good chances going begging. 1-0 up at half time.

The second half swung back in favour of the hosts, as we started the half slowly. Some poor defending let the opposition winger in behind, Sammy saved well down low, before a tussle led to us conceding a penalty. This was tucked away by the Whanganui skipper.

Things soon evened up, in what was an intense match up between two very good sides. Chances fell the way of both teams, but it was youngster Isa Prins that got us the crucial second away goal. His energy and pace drew a foul from the tiring Whanganui defender, and from the resulting corner, Isa nodded home at the near post.

Whanganui knew they needed a second goal, and threw everything at us in pursuit. This was rewarded shortly after conceding, as we failed to clear our lines for a corner, which saw the classy Josh Smith finish smartly across the keeper. 2-2, and that's how it stayed.

A cracking game that was a testament to both sides. While stressful at times, it was a hell of a game to be involved in, and sets things up nicely for the return leg back at Hutt Park.

2-2 Draw (Patterson-Gunn, Prins)

NUMBER ONE FAN

NOAH VAN DER LINDEN

My name is Noah, I've been playing football for Stop Out ever since I was 4 years old! I'm 12 now and I play for the U12 Rufer team. My team and I have had a very enjoyable season and being a part of the 1919 programme has really helped our development.

If you have been to Stop Out games before this season, then you have probably seen me around. I have had a blast supporting the 1st team and having the opportunity to be a ball boy most weeks. Every Saturday I get so excited because I get to play football and then watch the 1st team play. I watch every match, home or away. Last weekend I travelled to Whanganui to watch the 1st leg, if you heard a blowhorn going off every minute... that was me. (Sorry, not sorry).

I am grateful I've been asked to write something for the programme, I wanted to say how great this year has been. Stop Out is my home away from home, I love being around the club, I like all the coaches and the 1st team

My position: Midfielder

My favourite Stop Out memory: Playing in the Christchurch International Cup in 2021

My favourite club(s): Liverpool, Stop Out

My favourite pro player(s): Virgil van Dijk, Kevin De Bruyne

My favourite Stop Out player(s): Jack Morrissey, Lewis Morrissey, Sam Wright, Lucas Jelley, Jared Cunniff

My prediction for today's game: 2-1 to Stop Out
Graham Craven & Jared Cunniff to score the goals

makes me feel valued. I appreciate that the players and staff make an effort to talk to me and include me in some team talks. It's so cool, I feel part of the team.

I think I'm lucky to be at a club that is so inclusive and kind. I feel really proud to wear a Stop Out shirt and support the 1st team. I hope one day I can be a teammate!

Good luck with the game today Stop Out. I'll be there supporting, look out for me with my blowhorn and banner!

FLASHBACK

2014 CENTRAL LEAGUE PLAYOFF

8 years ago was the last time Stop Out played in a Central League playoff tie. And our opponent was the same one we play today, Whanganui Athletic!

Stop Out was ready to make amends for their previous year's playoff loss to Palmerston North Marist. After drawing the 1st leg 1-1, Marist won the second leg 3-2 and Stop out were left wondering what could have been.

A familiar face from the 2013 squad, Steve Guley, said at the time "We'll be better for this experience".

And right he was! Both Stop Out and Whanganui had strong seasons in 2014 for their respective divisions both going undefeated heading into the playoff.

After the disappointment of 2013, we learned a lot about what was needed to reach the final hurdle. Preparations were done differently which played a huge part in the

success we had.

We travelled to Wembley Park for the 1st leg and came away with a 4-0 win! The return fixture at Hutt Park was met with a healthy crowd and Stop Out continued their dominance winning the game 5-0. Whanganui Athletic was crushed 9-0 on aggregate, securing our Central League status for the next season.

CAPTAIN'S COMMENTS

JAMES SUTCLIFFE

Tēna koutou katoa,

Welcome to Hutt Park for the second leg of the play off.

I'd like to extend a warm welcome to Whanganui Athletic and their whānau this afternoon to Wellington. Thank you Whanganui Athletic for hosting a fantastic first leg at Wembley Park last weekend. Our team felt very welcomed, and we hope we can reciprocate this in our hospitality for you. It was great to see a big crowd there and a thriving clubrooms - that's what it's all about at this level.

I'd like to place on record a huge thank you to the club, the committee and the supporters throughout Stop Out's 2022 campaign. The committee have always supported the first team in our endeavours and we recognise how much effort goes on behind the scenes.

Our biggest achievement this season has been the relationship the first team have built with our supporters.

We pride ourselves on being a community-driven club and it's great to see the youth of Stop Out consistently supporting us.

A final thank you to Alistair, Paul, Steve, Chris, Jake and Adam. It would be impossible to find a harder working management team who offers such dedication, support and knowledge to the team.

I've said many times this season that football is all about moments. As a group we've shared many highs. The carrot of Central League is dangling in front of us - it's time to make another moment today.

Enjoy the game and come on Stop Out!

Nō reira, tēna koutou, tēna koutou, tēna tātou katoa,

SUTTY
