FIRST WORD

MY BLOOD IS RED... AND GOLD!

As I continue to observe the ups and downs of football, it seems it is getting tougher for clubs to function, to succeed, and to survive.

Every year as the compliance gets more rigorous, the pressures around achieving coaching badges grow larger, and the focus on elite over everything continues to challenge the core fabric of our grassroots game.

Well, I can proudly state that Stop Out is focused fairly and squarely on our club members first and foremost. Whether it be Men's, Women's, Youth, Girls, Masters, serious or social, parents or supporters - every Stop Out is equal and as important as others.

And we continue to achieve milestones. We have achieved Quality Club Mark from 2022 - 2024, which signifies a club that is a well-run, community-focused organisation aligned to the New Zealand Football Whole of Football Plan. We are one of only seven Talent Development Programme clubs in the region. It is interesting to note that none of the current top 4 Central League clubs have achieved this status. Why is that?

So why do we aspire to achieve these milestones? Well, simply we don't! Over a decade ago we created a strong, solid club infrastructure, a focus on young coaches, an inclusive 'Football for All' philosophy and we refined our healthy spirit, heart, and culture which I believe is second to none. These building blocks have helped to galvanise the strong club we now see today. So we will continue to forge our own pathway, robust and resilient with a strong future-focused outlook.

It's a good time to be a Stop Out!

A REMINDER

Please respect the opposition players, coaches, supporters and especially the match officials.

ENJOY THE FOOTBALL

CHRIS CANTON

ROUND 3 VS WAINUIOMATA

MEN'S FIRST

OUR FIRST LOCAL DERBY OF THE SEASON SAW US WELCOME WAINUI OVER THE HILL TO A BEAUTIFUL HUTT PARK DAY.

COVID continued to give us problems - Jared Cunniff had tested positive early in the week, as had Joe White. This meant a return to the lineup for Sam Wright, and a first start of the season for Sam Gillespie.

A dominant start to the game unfortunately failed to yield any openings. Two golden chances to score hit the bar and went just wide of the post, as we moved the ball reasonably well on a bumpy surface. Improvements to our play out were evident, a pleasing aspect given it has been a key area of focus over the past few weeks.

The visitors opened the scoring after a poor foul was given away in a dangerous area. We failed to deal with the delivery, which resulted in us conceding a scrappy goal.

0-2 LOSS
M.O.M - LUCAS JELLEY

The second half was a similar story. We continued to create some good chances, but let ourselves down with poor decision making in the final third. To their credit, Wainui defended deep and countered with good effect; this resulted in a second goal against the run of play. We continued to chase the game, but it wasn't to be.

All in all, a very frustrating afternoon. Lapses in concentration and an inability to handle our opponent's direct approach, combined with our wastefulness in front of goal, meant we could have few complaints.

ROUND 4 VS UPPER HUTT CITY

MEN'S FIRST

After a strong response in training during the week, we were looking to bounce back from last week's poor performance with an away trip to Upper Hutt on Good Friday.

During the week, COVID once again reared its ugly head, with Sam Wright testing positive. Joe was continuing to struggle with the effects of long COVID, so it meant an appearance in goal for Chris Campbell. While we were extremely fortunate to call upon the services of Cambo, it did highlight a clear gap in the governing bodies' regulations surrounding COVID. In their current form, COVID regulations stipulate that only two current positive cases for goalkeepers in a squad were grounds for a postponement. While there is emerging evidence that the effects of long COVID are very real and very serious, there are no avenues for clubs to manage our player's welfare safely.

We started the game strongly, moving the ball well and effectively pressing our opponents. A few good chances went begging, as our intensity started to pay dividends. We were forced into yet another goalkeeping change 30 minutes into the game, as Cambo went down with a torn hamstring. With no other option, we put our faith in

centre back Sam Cosgrave to step up.

This was a make or break moment for us. Faced with the adversity of having an outfielder in goal, we stepped it up another level. Our hard work was rewarded when Cunniff lashed home a loose ball from a corner - his first on his return to the club. Minutes later, a Jerram flick on resulted in Jack Morrissey scoring our second off a deft lob over the keeper. 2-0.

The second half was much the same. We harassed, fought and battled against a tiring opposition. Niko Sarich was enjoying a fine starting debut for the First Team, running the game in midfield alongside Lucas Jelley and Sam Gillespie. We put the game to bed in the 70th minute when Jack got his second of the game, tapping in a rebound from Cunniff's saved shot. 3-0, job done, response delivered.

This was a good day out. A relentless, passionate approach to the game paid dividends - not even an outfielder in goal could deter us. A sound defensive display laid the foundation for a strong performance. The challenge now is to better this performance. There is still a lot to come from these lads!

THIRD TEAM

UPDATE

Our third team has had a strong start to the season after some impressive outings in the pre-season. The lads are sitting pretty near the top with 2 clean sheets and still undefeated.

Our success has been built on the grounds of commitment and teamwork. Competition for places in all areas on the field means that everyone brings their all to practices and games, while team selection is based on which players bring the most out of each other.

This week the boys have their first home game of the season against Karori Magpies, and it would be great to see our Stop Out supporters come along and support our team down at Hutt Park!

JAVAD KOYA

WOMEN'S TEAM

UPDATE

The women's team started the season with a 4-4 draw vs Miramar Rangers 1st team. For us, it was a great result because we only had one training together as a team. The players all showed great character. We have had a few new girls join the team and it will take some time to get to know each other, but looks very promising.

Our two players of the day were Misty Lee (who scored all 4 goals) and Bethany Stewart for her great work in defence.

The committee would like to remind everyone about expected behaviour at matches.

A REMINDER

Please respect the players, opposition players, coaches, supporters and the match officials.

Disrespectful behaviour, particularly towards referees and match officials will not be tolerated. If you are coming to support teams playing at Hutt Park or at other grounds we ask you to act respectfully at all times.

Encourage their members and spectators (as appropriate) to abide by the Code of Conduct and take reasonable steps to ensure such compliance.

Be fair, considerate and honest with others.

Resolve conflicts fairly and promptly through established procedures.

Maintain a safe environment for others.

Under Capital Football Regulations, the club could be fined if there are continued incidents towards a referee, player or official.

We want to create an environment at the club where supporters, players and families can come along and feel safe and enjoy the football.
