# FIRST WORD

MY BLOOD IS RED... AND GOLD!

It's a warm welcome to Island Bay for today's upcoming Capital Premier match.

Always a difficult proposition and over many years both club's have challenged at the top half of the Capital Premier table.

Our start to the season has been a satisfactory one but there is still improvement to come.

I believe our football season is too short. And even though it seems the 2022 season has just started we are already 1/3 of the way through the season.

A blink of an eye and we're planning for 2023!

I for many years have been an advocate of 12 team leagues. You would have automatic promotion for the Capital Premier League winners and similar for Central Football's Central Federation League with two teams relegated from a 12 team Central League. The play off is cruel and it's unfair that one team misses out.

More games means more football, more support, more club involvement and more camaraderie. Clubs like ours are built on those pillars but it seems that is not important in the eyes of some!

Today finally sees the season starts for our juniors so it's great to have all of our players and leagues club wide enjoying their football.

Enjoy the match and our Stop Out hospitality!

## A REMINDER

Please respect the opposition players, coaches, supporters and especially the match officials.

## ENJOY THE FOOTBALL

CHRIS CANTON

# ROUND 5 VS NORTH WELLINGTON

MEN'S FIRST

AFTER THE PREVIOUS WEEK'S STRONG PERFORMANCE, WE WERE LOOKING TO BACK IT UP AGAINST THE LEAGUE'S BOTTOM SIDE.

Sam Wright returned from COVID isolation to start in goal, in an otherwise unchanged lineup. Finn Moore returned to the bench after missing the previous week with injury, while Brandon Postlethwaite dropped out of the squad after injuring his shoulder during the week at training.

We started the game strongly, getting on top of our young opponents and dominating proceedings. We were finding plenty of success out wide, with Jonty and Jerram in particular causing all sorts of problems with their combination play. We were creating chance after chance, only to find the North Wellington keeper in fine form. We were finally rewarded with the opener in the 39th minute as Jordy's cross was diverted in by Jerram for his first of the season. Our relentless approach to the game then resulted in us doubling our lead a minute later - Jordy scoring directly from a corner.

In the second half, fresh legs were brought on as we looked to add to our tally. We were again totally dominant, creating several good chances to score, only to let ourselves down with decision making in front of goal. The rare North Wellington foray into our half was snuffed out quickly by our ever improving back four. We continued to press, but were unable to add to our tally.

A routine win, with the major plus being our second clean sheet in a row. As much as goals can help, it really is clean sheets that win leagues - so it is great to see that our work in training is bearing fruit. Man of the Match went to Grizzly for his outstanding work at the back, contributing to our build up of possession as well as making several key interventions.

2-0 WIN (TUCK, MARTENS)  
M.O.M - GRAHAM CRAVEN

# ROUND 6 VS MIRAMAR RANGERS

MEN'S FIRST

The obligatory early season away game against Miramar's Reserve team was played at the unfamiliar venue of Te Whaea Artificial.

Finn Moore was brought into the starting eleven to face his old club, while Graham Craven's injury meant a first start of the season for Sam Cosgrave in his place.

Miramar's Reserve Team can always throw up some surprises, particularly early on in the season. For that reason, the focus during the week was firmly on ourselves - if we played to our potential, whoever we came up against would be an irrelevance.

We got off to the perfect start, as Jordy's superb corner found Jerram's head for a great finish after 5 minutes. Our structure was excellent, as we prevented our opponents from playing out as they resorted to playing direct - our back four once again dealing with this superbly. We were creating a healthy number of chances, going close on a few occasions, as we looked for a second goal. It arrived in the 36th minute, as we won a penalty for a handball by a familiar face. Up stepped the hard-working Jared Cunliff to score his second of the season, as we went into the break 2-0 up.

We had a shaky start to the second half, with Miramar nearly reducing the deficit, only to be thwarted by Sammy in goal. We soon settled back into our rhythm, as yet another outstanding set piece from Jordy resulted in Suttu popping up for his third of the season. 3-0 and in control.

We continued to defend well, and also continued to create some good chances in front of goal. With time running out, a clumsy challenge saw Miramar given the chance to score from the spot - Sammy stepped up with a fine stop, only to be unfairly pinged for encroachment. The follow up was scored. We then finished the game off shortly after, as Jacko turned on the afterburners to cross the ball for Finn to tap in at the far post. 4-1.

A pleasing, professional performance. While disappointing not to keep another clean sheet, we are making strong improvements every week. Lucas Jelley was once again immense and rewarded with the Man of the Match honours. We now move to the next game at home against Island Bay - the next step on our journey.

1-4 WIN (TUCK, CUNNIFF, SUTCLIFFE, MOORE)  
M.O.M - LUCAS JELLEY

# RESERVE TEAM

UPDATE

Kia ora Stop Out whānau! It is always a beautiful day when it is football day. I really love the feeling of waking up in the morning and knowing I have a game. After that, the following thoughts immediately come to mind:

How would I play? How do I motivate the boys? What will we do for the warm up? How can we keep the focus for 90+ minutes?

So many things to prepare before kick off and everything goes so fast after the first whistle. Just like that we are 6 games into the season.

We lost our first game last week against Brooklyn. It was tough, it wasn't pretty, but we are still top of the table. We are still strong, and we are hungry. The overall feeling of the Reserve Team is that we can do so much better when we play our way and when we apply what we practice every week.

That Stop Out DNA has to be present everyday we play, everyday we train, and everyday we represent this club. Top of the table means nothing now, as we have 12 finals ahead and we need to give our best in every single one. The challenge is there and we will fight till the end.

Nāku noa nā

**CAMILO ARDILES**

# THIRD TEAM

UPDATE

The third team is continuing their strong start to the season. After an unfortunate first loss of the season coming at home to Karori, the boys went across town to play Brooklyn United Reserves.

A quick goal in the first half and a second soon after halftime left the boys 2-0 down and staring down the barrel of the second straight loss. However, in typical Stop Out fashion, the boys rallied together and pushed Brooklyn all the way to the end, scoring one in the 80th minute and another in injury time to secure a point against the top of the table team.

Now with only 4 points separating Stop Out from the top of the table, their next challenge is to take on Island Bay United Kina, sitting 2nd on the table and 3 points ahead of Stop Out Thirds. The thirds are home again today playing at 2:30pm on pitch 3, come along to support the team!

# STOP OUT VALLEY HIGH

UPDATE

Introducing our newest team at the club; Stop Out Valley High. This group of players have joined us after graduating from Hutt Valley High School, and contain several ex-Stop Out Juniors and Youth players. Welcome to the club lads!

Gaffer Dylan Moore had this to say:

With over 100 games for Hutt Valley High, the story continues with Stop Out Valley High. This year the boys are competing in the world renowned Wellington 6.

Our season got off to a rocky start, but the boys recovered with a 3-2 win over Wellington Marist on the weekend. With star player Keegan Emmens returning from COVID isolation, the team are seeking to extend their winning streak ahead of a fierce game against Tawa Bulldogs at the fortress of Hutt Park.

**DYLAN MOORE**

# STOP OUT MINIMAL

UPDATE

Our double promotion winning Minimal side from 2021 is back for another season at the club. True to form, the boys preferred not to write an article, but instead provide a series of quotes that have come their way so far this season....

“Goalkeeper Mason Ward is the modern day Oliver Kahn”  
- *Bystander watching the game.*

“One of the greatest possession oriented teams since the 2015/16 Barcelona era”  
- *Chairman of unnamed club [Decided to stay anonymous]*

“Seeing Abdullahi move from Left Back to Right Back has been one of the most refreshing tactical decisions I have seen in my time watching football, this game really is a form of art.#ForzaMinimal”  
- *Italian bystander*

“Literally though we have found the Somalian Philip Lahm”  
- *Gaffer Aston Hughes*

## THIS SEASON SEES THE STEAMERS ENTER WELLINGTON 1, AFTER LAST SEASON WINNING CAPITAL 4 BY A TIGHT MARGIN WITH GREAT SKILL AND AN EVEN BETTER KNOWLEDGE OF CAPITAL FOOTBALL REGULATIONS

It was decided the implications of promotion to Capital 3 was not something the Steamers wanted to consider, the primary reason being a lack of rolling subs! Conveniently the 3rds got relegated from Capital 4 so a swap around was arranged, allowing the club to use the Capital 3 spot to further develop young players and bring the top three teams closer together in the leagues.

In hindsight, this might not have been a bad idea. Though we still have the core of the team, somehow we managed to lose half our defensive line off-season. Mouts having taken one too many whacks to the head, Ed deciding it was finally time to head to Masters, and Kelvin is busy putting out fires. But we managed to pick up another three central mids in Rhys G, Joe S, and Kasun. This after playing most of last year with only two CMs. It's a pity one of them is not a CB though Ben Ram is still insistent he can fill a gap there despite being skinned 5 times in the space of 5 minutes by a rather large striker in one of our pre-season matches.

Match results in 2022 have so far been mixed. The season started by despatching BNU 3rds with a great 6-0 win to start the season, where unbelievably even Reynard got on the sheet with a jammy tap-in. The next game after this was against old foes NW Phoenix. We went 1-0 up early in the game courtesy of Josh Moore which was about as good as it got, from there an OG, late penalty and a few goals in between gave the hardworking Phoenix a 5-1 win, the Steamers worst ever defeat in four seasons. Following this, we responded strongly by putting away Karori Sealords in a twilight game at Wakefield 6-2. Rhys, Duff, Sam Ram, and Josh M got on the score sheet, and rumours are Reynard again got another sweaty tap-in but I'm not buying it.

Last weekend we were on the turf again at Wellington College against IBU Shrimp. After being all over them for the 1st half we somehow entered halftime at 1-1 after Greg decided he was bored and threw the ball straight to them and Rhys decided it's only okay to score 20-yard volleys, but not the rest. The unthinkable then happened and we went 2-1 down in the 2nd half. Twenty minutes from time the absolute, awesome, Steamers legend he is - Chopper, decided to sacrifice his own personal injury toll and bought himself on at right wing to inject some "pace" out wide. Late in the game after a "robust" challenge out wide, the ref gave a free kick the Steamers way. What happened next will go down in history as Chop rose high at the back post and deftly headed back across goal, lobbing the stranded GK and saving the Steamers a second loss of the season.

This weekend sees us play table toppers IBU Alts, with no losses to their name in 4, it's a chance for the Steamers to show the league what they are truly capable of.

# JUNIORS

**JAKE WARD**  
JUNIOR DIRECTOR OF FOOTBALL

Last week kicked off the start of the 2022 Junior season for all of our TDP teams, and this weekend for all others. We have managed to register 13 teams (U9-13) in the Capital Football leagues, as well as have a healthy amount of players in our first kicks, 7th & 8th Grade teams.

Providing players with positive experiences in football is an important aspect that we pride ourselves in doing well in, and this year we look to improve on this even further. As well as that, we aim to focus on developing our players with on field skill development, as well as using football as a platform to teach them life skills such as positive peer relationships etc.

A big thank you to all of our coaches for this season, we are a club run mainly by volunteers so the support is very much appreciated. We are still looking for a couple more coaches to help out so if you have any interest please reach out!

# BEHAVIOUR

## A REMINDER

The committee would like to remind everyone about expected behaviour at matches.

### A REMINDER

Please respect the players, opposition players, coaches, supporters and the match officials.

Disrespectful behaviour, particularly towards referees and match officials will not be tolerated. If you are coming to support teams playing at Hutt Park or at other grounds we ask you to act respectfully at all times.

The NZ Football Code of Conduct requires us a club to:

Encourage their members and spectators (as appropriate) to abide by the Code of Conduct and take reasonable steps to ensure such compliance.

Be fair, considerate and honest with others.

Resolve conflicts fairly and promptly through established procedures.

Maintain a safe environment for others.

Under Capital Football Regulations, the club could be fined if there are continued incidents towards a referee, player or official.

We want to create an environment at the club where supporters, players and families can come along and feel safe and enjoy the football.

If you have any questions in regard to this policy, please email [chairman@stopout.org.nz](mailto:chairman@stopout.org.nz)

Kind regards,

**STOP OUT EXECUTIVE COMMITTEE**
