# FIRST WORD

MY BLOOD IS RED... AND GOLD!

Welcome to Hutt Park! We love hosting games at our home ground, love the rivalry that occurs on the pitch, and the comradery that happens off it. We are really thankful for our facilities here and hope you enjoy the hospitality. We are in a great space as we look toward what the future looks like for the leagues, competition format and our football club.

Currently, we are starting open discussions around the club, what we are aiming toward and building for. This is an important step for any organisation to ensure they remain relevant, and future focused. We are grateful for our brilliant base of volunteers, from managers, to the coaches, bar staff, kitchen helpers and the brilliant people who every week put out the flags, goals, and dugouts. The club is made up of many, many parts, some a little older and rustier than others, and some that are red hot with enthusiasm, and we wouldn't be the club we are without each and every one of you.

This week, our Men's First Team welcome Wellington Olympic Reserves to Hutt Park. They have endured an interesting run in the campaign, bleeding through some brilliant young talent under the watchful eye of Taylor

Hall-Jones, Matt Kolic and their assistant staff. Welcome lads, and all the best for the encounter! We are happy with the season thus far, yes we are top but we are not counting our eggs just yet. Consistency and a dogged approach are what is needed and we are taking things game by game.

Today's main game should be a great fixture and we look forward to sharing a drink together afterward in our clubrooms. Enjoy your afternoon!

Altera Alterius Onera Portate

## A REMINDER

Please respect the opposition players, coaches, supporters and especially the match officials.

## ENJOY THE FOOTBALL

# ROUND 9 VS LOWER HUTT CITY

MEN'S FIRST

FOLLOWING ON FROM OUR OUTSTANDING WIN AWAY AT TAWA, WE WELCOMED ANOTHER OF OUR TITLE RIVALS TO HUTT PARK. LOWER HUTT, IN THEIR FINAL YEAR OF THE PARTNERSHIP WITH THE PHOENIX ACADEMY, WERE THREE POINTS BEHIND US IN SECOND PLACE HEADING INTO THIS GAME.

We were fortunate to welcome back both Grizz and Jordy into the lineup, as we reshuffled our back four, with Gulls taking a break and Cossie returning to the bench. A pleasing aspect of our season thus far is our ability to rotate our starting eleven with ease, such is the quality and depth of our squad.

We started the game superbly, putting the youngsters under immense pressure. The first half saw numerous chances go begging, as we hit the post 3 times and the bar twice. This was arguably our best first half performance of the season; our dominance was rewarded as Grizz rose highest from Jordy's superb delivery to put us ahead. We continued to press for more. Our good work was undone as we gave away a penalty in the 45th minute; this was dispatched with ease as we headed into the sheds level at 1-1.

The second half was a more even, end to end affair. For the neutral, a great game to watch. Lucas Jelley was

continuing his fine form in midfield, breaking up play and pulling the strings. We had a great chance to take the lead from the penalty spot with 15 minutes to go - this was unfortunately saved by Lower Hutt's returning Phoenix keeper. We again went agonisingly close to a winner with 5 minutes to go, only for the ball to be saved on the line. It was not to be, and we had to settle for a point.

Top of the league and three points clear after a full round of games; a pleasing position to be in. However, we do look back on our first round results with a strong sense of dissatisfaction, as we know that we could have done better in the games where points have been dropped. Our approach will continue to be the same - taking one game at a time, looking to improve week on week.

1-1 **DRAW** (CRAVEN)  
M.O.M - LUCAS JELLEY

# ROUND 10 VS WAINUIOMATA

MEN'S FIRST

After a well earned break over the long weekend, we made the short trip over the hill to take on local rivals Wainuiomata. Heavy rain over the past two weeks made for a heavy pitch, only adding to the size of the task at hand.

We were without the services of Grizz, Gilly and Kells for this game, with Grizz finally succumbing to COVID, while Gilly and Kells were laid low with the flu. This meant a slight reshuffle in our squad; Isa Prins made his first league start of the season, Finn Moore returned to the lineup, and there was a first appearance in the squad for the returning Omar Alsayah.

We started the game very strongly, putting Wainui under pressure and moving the ball well. We took the lead in the 8th minute after good work out wide saw Finn played in behind; a composed finish in the bottom corner completing a lovely goal. We continued to press for more goals, with Jordy and Isa on the left hand side combining well and causing all sorts of problems for the home side. We added to our tally in the 29th minute, with Jacko slipping Finn in behind for an almost identical finish. We headed into the sheds 2-0 up and well in control.

The second half started in a very similar fashion. We were dominant, moving the ball well on a surface that was beginning to cut up and deteriorate. We got the all important third goal in the 57th minute, as good work in midfield saw Gunny released out wide. His deep cross to the far post evaded everyone and ended up nestling in the top corner! We continued to press for more, and dealt with the inevitable onslaught from set pieces that came from Wainui. A couple of good chances went begging, and we then conceded a poor goal right at the death. An extremely frustrating goal to concede that took the gloss off another superb defensive display.

3 points added to our tally, at arguably one of the toughest places to go in the league. A satisfying display, as we continue to grow with each game. Another weekend off is ahead of us before we welcome Wellington Olympic to Hutt Park, eager to continue our strong run of form.

Once again, thank you to our supporters for your continued support on the sidelines; it is much appreciated. See you back in the clubrooms for a beer!

**3-1 WIN (MOORE X 2, PATTERSON-GUNN)**  
**M.O.M - FINN MOORE**

# MEN'S RESERVES

UPDATE

Kia ora tātou

Halfway through the season for our Reserve team and I can happily say we are still there. We had our bumps across the road, however we were able to show resilience and bounce back from a hard month.

The team is focused, we want to win, we want to have fun, and we want to represent Stop Out the best we can. We know what to improve and we will work even harder to achieve the standards we want.

Football is everyone and everywhere, and that red jersey means something. For me, it means commitment, hard work and never surrendering. We have 8 finals left and we have the quality. Now we need to deliver!

# MEN'S THIRDS

UPDATE

Our 3rds team started off the season with a hiss and a roar, getting wins across the board and a notable 2-2 draw away from home against top of the table Brooklyn United. Unfortunately that hiss and roar fizzled out as the squad was plagued with injuries (and some red cards), meaning you could count the number of players unavailable on both hands.

With great depth in the squad and enthusiasm still high we were still able to field a relatively strong, but sometimes inexperienced squad for match days. The lads played their heart out each week and sometimes unfortunate to not come away with the points.

With a majority of our players now back from injury and training with the squad, we now have a great opportunity to bounce back for the 2nd half of the season and claw our way back up the table. With the team looking to get their first win at home this season, they'll have an

awesome opportunity to get just that against Vic Uni Accies, who they drew against 0-0 in the first game of the season. With a point to prove our lads will be buzzing to get back to Hutt Park and get back to our winning ways.

# NATIONAL VOLUNTEER WEEK

THANK YOU!!!

This week is Te Wiki Tūao ā-Motu National Volunteer Week, where we celebrate the collective energies and mana of all volunteers in Aotearoa New Zealand.

Thousands of volunteers give up their time for the good of the game all over the country. They are the heartbeat of community sport.

Stop Out wish to thank all of our amazing volunteers who give up thier own time to keep the club rolling on. From behind the bar, to setting up on a matchday, to coaching our juniors. Every bit counts and this club wouldn't be where it is today without all the mahi that comes from our volunteers.

Take the time today to thank a volunteer!

## A REMINDER

The committee would like to remind everyone about expected behaviour at matches.

### A REMINDER

Please respect the players, opposition players, coaches, supporters and the match officials.

Disrespectful behaviour, particularly towards referees and match officials will not be tolerated. If you are coming to support teams playing at Hutt Park or at other grounds we ask you to act respectfully at all times.

The NZ Football Code of Conduct requires us a club to:

Be fair, considerate and honest with others.

Resolve conflicts fairly and promptly through established procedures.

Maintain a safe environment for others.

Under Capital Football Regulations, the club could be fined if there are continued incidents towards a referee, player or official.

We want to create an environment at the club where supporters, players and families can come along and feel safe and enjoy the football.

# FEATURED SPONSOR

HR LABOUR

THANK YOU TO OUR FEATURED SPONSOR FOR TODAY'S MATCH, **HR LABOUR**

HR Labour is a locally owned and operated labour hire company run by university students from all over the country.

Founded by Ben Hobbs, when he decided university wasn't for him, HR Labour now supplies general labourers for some of the largest residential developers in Wellington. We provide a way for university students to get flexible work and fund their studies towards a degree (because who wants to be labourer forever?!).

HR Labour is proud to be able to support Stop Out and we are looking forward to what's to come this season.

"We used to use well known labour hire companies; but we would never really have a motivated person show up. Since going through HR Labour, the next day we had a crew of four motivated, young, fit students looking to make some money for their degree and get some common knowledge".

- Reece Hosie.
