FIRST WORD

MY BLOOD IS RED... AND GOLD!

Welcome everyone to Hutt Park for our penultimate home match of the season. Today we welcome Kale Herbert and his Miramar Rangers Reserve Team for what is sure to be an exciting match.

We are entering a crucial period of our season, with four games left. Three of these come against teams around us on the table, so we will need to be at our very best to end the season at the top of the table. This is of course only the first step on our mission to return to Central League for 2023.

Oftentimes it is the First Team that can hog the limelight when it comes to sharing news about the club. As a First Team, we know and appreciate that we are well looked after, and have a responsibility to represent the club the right way.

We are well supported by Camilo (Reserves) and Javed (Thirds), both new coaches to the club this year. Both have done fantastic jobs in difficult leagues; their commitment to adopting and learning the Stop Out way has been first class.

There are many other facets to this club which make it such a special place. It starts with our juniors, many of who volunteer their time on a Saturday to be Ball Kids, or come down and support the team. We have put a major focus on creating a good connection with the future of our club; something we feel is progressing nicely.

Our U17's continue to provide a production line of talent into the Men's side of the club. This is an area of the club

that has seen phenomenal growth over the past 6 years, culminating in us having one hand on the league title with only a few games to go.

Our Masters Teams provide such a valuable part of the experience on a Saturday. As coaches, we stress the importance of our history and traditions, but this can only go so far. The tangible examples of what this club is about is embodied by a classic after match speech from Lenny Blackman or Chris Hanson, as well as wise words and advice from the likes of Jim Blair, Jim McCreadie or Daryl Gray.

We can't forget the continued commitment we see from key people across the Women's side of club; perhaps embodied most clearly from the recent achievement of First Team player Louise Mackay. Congratulations on 200 games Louise! A fantastic milestone.

The continued growth from our social side of the club is also reason for optimism. Chopper's Steamers boys started the trend a few years ago, paving the way for the addition of Aston's Minimal side in 2021, and then finally 2022's recruitment of Dylan Moore and Stop Out Valley High. Three exceptionally important sides for the club as we look to continue our growth.

Here's to a successful end of the season - no matter what area of the club you are involved in. When one of us is successful, we all are.

Enjoy today's game, and enjoy our Stop Out hospitality.

A REMINDER

Please respect the opposition players, coaches, supporters and especially the match officials.

ENJOY THE FOOTBALL

ROUND 13 VS UPPER HUTT CITY

MEN'S FIRST

WE WELCOMED UPPER HUTT TO HUTT PARK FOR THIS ROUND 13 MATCH, EAGER TO GET BACK TO WINNING WAYS AFTER ONLY TAKING A POINT FROM OUR PREVIOUS OUTING.

Sam Martin came into the side for his Stop Out debut, replacing Sam Wright who was overseas. Lewis Morrissey made his first appearance on the bench, having recently arrived from the U.K. Welcome to the club Lewis!

A heavy pitch made for a difficult outing. The first half was cagey and scrappy, as we struggled to create chances against a determined opponent fighting against relegation. With the few chances we did manage to create, we found the opposition keeper in good form. Nevertheless, it was a flat first half performance as we headed into the break all square.

We started the second half fairly brightly, only to concede a sloppy opener in the 51st minute against the run of play. We then inexplicably conceded a second shortly thereafter, going down 0-2 after a swift counter attack.

This spurred us into action, as we started to play with an intensity and urgency that was sorely missing in the first 60 minutes of the game. Things were not going our way, as our opponents looked to sit deeper and deeper to protect their lead. We finally managed to get on the scoresheet with the last play of the game, Grizz heading home from a corner. 1-2 the final result.

An extremely disappointing result and performance, which fell well below the high standards we have set for ourselves. With an extremely congested top four, we cannot afford to drop many points and must look to bounce back immediately.

1-2 LOSS (CRAVEN)
M.O.M - SAMEUL MARTIN

ROUND 14 VS NORTH WELLINGTON

MEN'S FIRST

OUR OPPORTUNITY TO BOUNCE BACK FROM DEFEAT IN OUR LAST MATCH CAME AGAINST BOTTOM SIDE, NORTH WELLINGTON RESERVES.

We shuffled the team around slightly for this one, as Sam Wright came into the side following his holiday, while there was a first start for new signing Lewis Morrissey.

We were in no mood to entertain anything other than a strong performance and three points. We started the game strongly, dominating possession and putting our opponents under immense pressure with our high press. This paid dividends in the 11th minute as Ryan Kelly put us ahead after a goalmouth scramble. Frustratingly, we conceded an equaliser 5 minutes later as we failed to deal with a set piece effectively. This spurred us into action and we took the lead again, as more good work from Kelly saw him brought down in the box, with Suttly doing his thing from the spot. Minutes later we had a third, with Gulls whipping in a delightful ball for Cunniff to tap in at the far post. 3-1 up at half time and in control.

We continued our dominance in the second half, our press working wonders and continually putting the North

Wellington youngsters under pressure. In the 51st minute Jordy was presented with a freekick opportunity 25 yards out; he stepped up with a peach of a strike to extend our lead. Goal of the Season well and truly wrapped up! We continued to press for more to add to our tally, only to find that final ball lacking. With the game coming to a close, we got our 5th of the game as Grizz slammed home another perfect corner from Jordy.

A satisfying way to get things back on track. With Island Bay losing to Lower Hutt, we moved back to the top of the table with a two point lead, and four games to go.

It is sure to be a tight and exciting end to the season; we appreciate your continued support! See you back in the clubrooms for a beer.

1-5 WIN (KELLY, SUTCLIFFE, CUNNIFF, MARTENS, CRAVEN)
M.O.M - JORDAN MARTENS

What an absolute pleasure it has been working with our Under 17 TDP group this season. We are 11 games into our season, with 3 remaining to play. We are top of the table, with two games in hand over our opposing teams. We cannot be surpassed on points and have a brilliant goal difference of +17. This may seem like a small feat, but has been a significant story to get to this place.

Rewind to 2016, the club were struggling to compete in the A grade, and had been relegated to the B division, prior to any mention of a TDP. Alistair Yates came to the helm of our youth programme and quickly established a fantastic social environment where players were motivated to work hard, learn, and have a whole lot of fun doing it. At the programme's peak there were 4 teams. This shows the hard work, and time Alistair and his staff put into creating the right space for youth to play football.

We then established the 1919 Programme to offer specific training to those players who wanted to take the level of their game up. And now, here we are.

Our current U17 TDP programme contains players who have been at the club since at least 2016 and if not longer, including captains Phil Fatialofa and Blake Eveleigh, Abdul Abdullahi, James Ferguson, Anupa Aluvihare, Christain

Durno, Jude Dawson, Elliot Porter-Wallis, and Baxter Cocakayne. Many other boys joined soon after, showing the programme was working to provide something in the Hutt Valley for young players wanting to progress.

This season in the CDL grade, we lost our first game to a very unfortunate error at Hutt Park to Western Suburbs, but since our first regular season game on 1 May, we have not lost, and only drawn once. This is a simply outstanding achievement from a set of young men who chose to pursue the goal of topping the competition back in April 2022.

The boys have been phenomenal in their application, and attitude towards games, and late night training at Fraser Turf. We have 3 games remaining in the league, the first of these being tomorrow (Sunday) against Upper Hutt.

We would love your support, should you be able to come down to Hutt park for 10:45am to watch the boys roll out, and together work to pick up another win to secure the league.

We're not done yet!

Resolve conflicts fairly and promptly through established procedures.

Maintain a safe environment for others.

Under Capital Football Regulations, the club could be fined if there are continued incidents towards a referee, player or official.

UPDATE

What a season it has been so far. We have had good days and bad days, days when we do everything right and days when we don't know what to do. We have been through a rough patch lately where it looks like everything is wrong and no way out can be seen on the horizon. But, as usual, the only certain thing you can count on when you're going

through hard times is your family, your Stop Out family. We regroup, we train, we talk, we support, we listen and we don't give up, we never give up. We have 4 finals to prepare, 4 finals with everything in play and we are up to it!!

THIRDS

UPDATE

Our 3rd Team has certainly had a bumpy season, but they have never let that get to their heads. Despite results, the lads have always dusted themselves off and come back hungrier than ever the following week. The last couple of weeks have proved what the boys are capable of coming away with convincing wins, against North Wellington Thirds (6-3) and Naenae Firsts (1-0). With only 3 matches left in the season, the boys have 9 points in their sights and a point to prove to the rest of the league - that they can absolutely battle it out with the best of them.

FEATURED SPONSOR

WAREHAM SPORTS MEDIA

THANK YOU TO OUR FEATURED SPONSOR FOR TODAY'S MATCH, **WAREHAM SPORTS MEDIA**

As a former Stop Out junior in the early 2000's, coached by my Dad and fellow photographer Mike Sullivan, Wareham Sports Media began in 2015 as a local cricket photographer and reporter. The year after I dabbled into Winter Codes such as Rugby, Football and Basketball.

Midway through 2016, I began to photograph some winter codes; mainly Basketball and Rugby, before settling into Football later in the year. I haven't looked back since. Traveling to Napier twice, and Christchurch for Schoolboys Nationals, along with commentating back to back Trevor Rigby Cup Finals. My biggest opportunity to date is getting to shoot the NZ Football Ferns game vs

Japan at Westpac Stadium in 2018.

While not out on the sidelines I work at my family run business, Muffin Break in Queensgate Mall. I've worked there for eight years in November and my parents have owned it for over twenty years.

I am looking forward to continuing to contribute to the sport community by providing quality and memorable captures of sports games and I would like to wish Stop Out nothing but the best in the final few weeks of the season.
