FIRST WORD

Welcome to Hutt Park for our Round 5 clash with Whanganui Athletic.

A particularly warm welcome to Matt Calvert and his Whanganui staff and players. After a titanic battle in the playoff series in 2022, I stated that I was confident we would see Athletic back at Hutt Park as a Central League side in the future.

While it certainly ended up happening quicker than anyone expected, it is fantastic to have Whanganui in the league this year. After the rollercoaster of events that transpired in 2022, it is well deserved. We see a lot of similarities between us - they are a well run club, who are building impressively both on and off the pitch. I wish them all the best for the season - just not today of course!

Our Talent Development Programme teams get underway this weekend against North Wellington. Our U13's, U15's and U17's have been working hard during pre-season under the tutelage of our coaches. It is great for the club that we once again have a TDP Licence; one of the few clubs in the Wellington region to achieve this. As a club we have to jump through significant hurdles to make sure we are meeting the requirements set out by New Zealand Football. The work put in by several of our volunteers to get this over the line is once again greatly appreciated.

Our TDP programme plays a significant role in producing players capable of representing the club at higher levels; the number of 1919 graduates in our First Team squad today is a testament to that. Long may it continue.

It is also important to remember our responsibilities as a club to provide Football for All; it isn't just about those playing at a competitive level! We are fortunate to have healthy numbers throughout our junior and youth space, which extends into the senior environment. Those players are just as crucial to our success as a club.

Please enjoy today's game and we look forward to seeing you back in the clubrooms for a beer.

ALISTAIR YATES

A REMINDER

Please respect the opposition players, coaches, supporters and especially the match officials.

MEN'S FIRST TEAM

ROUND ONE

Our opening game of the season saw us welcome Rovers to Hutt Park.

There were First Team debuts for Connor Gaul, Phil Fatialofa, Levi Appleton, Reegan Kowalczyk, Elliot Porter-Wallis and Tom Hooper - a good mixture of experience and our youngsters coming through the system.

We got off to a flyer with just over 2 minutes on the clock, as Connor caused havoc on the left; his cross diverted into the net by the Napier defender. We continued to hold our shape well and grew into the contest. Our good start was put at risk after giving away a cheap penalty, but Brooklyn came up trumps to save the spot kick. Not long after, we missed a golden chance to go up 2-0 just before

the half. The realities of the league came back to bite us as a poor defensive error saw Napier draw level right on half time.

The second half was a struggle, as we found it difficult playing into a strong wind and the increase pressure from the opposition. Two quick fire goals midway through the half condemned us to an opening day defeat. Strong performances from a number of our players but Cossie showed his quality with a commanding display.

VS. NAPIER CITY ROVERS
1-3 LOSS (O.G)

MEN'S FIRST TEAM

ROUND TWO

After the previous weekend's disappointing result, we were faced with another tough match away against Western Suburbs.

Grizz and Suttly returned to the lineup for their first appearances of the season, as we rejigged things slightly from the previous week.

We started well again, well organised and shutting down our opposition effectively. We were creating plenty of chances in what was a high quality game. Brooklyn made a couple of smart saves, and Isa was causing all sorts of problems for his defender. We were rewarded for our good work when Isa was bundled over in the box, and Suttly dispatched coolly for a 1-0 half time lead.

We started the second half strongly, adding to our lead from a cracking piece of play from Jells and Cunniff. We

were dominant, creating plenty of good chances and showing our quality at this level. What seemed like a fantastic third goal was cruelly ruled out by the linesman for offside; a baffling decision.

We didn't respond to this well, and the balance of play shifted. We conceded two poor goals, and suddenly the match became end to end. We went back in front from a Cossie header, only to concede again shortly thereafter. A 3-3 result, but one we were disappointed with. We were improving in our performances, with that first win not far away. Man of the Match honours went to Suttly for his performance in midfield.

VS. WESTERN SUBURBS
3-3 DRAW (SUTCLIFFE, CUNNIFF, COSGRAVE)
M.O.M - JAMES SUTCLIFFE

MEN'S FIRST TEAM

ROUND THREE

We had another away trip to contend with after an encouraging performance against Wests.

Alex Palezevic was a welcome addition to the squad during the week; a fantastic signing for the club. He has added a massive amount in his short time at the club and will be a fantastic role model for our younger players. With Isa and Phil away at Secondary Schools, Elliot Porter-Wallis came into the starting eleven, and Jayden Patterson-Gunn onto the bench.

We had a slow start, with Wharfies in the ascendancy. We were restricted to a few chances on the break; Elliot in particular going close. A couple of smart saves from Brooklyn in goal kept the scores level at half time.

Into the second half, it was a more even affair. Against the run of play, Karori went ahead 1-0 after we gave the ball away cheaply in our own area. Shortly thereafter, they added to their lead in what was an unfortunate goal to concede.

This spurred us into action, and we soon dominated proceedings. Jerram came into the game with tremendous impact, and he reduced the deficit with his first touch. 5 minutes later, we were level, as Jerrams knock down at the far post was nodded in by Cunniff. 2-2 and in control.

As the game looked like heading towards a draw, we had one more foray into the Karori area. Connor's ball out to Ryan was just out of reach - as Kells looked to regain the ball, the Wharfies keeper inexplicably bundled him over in the box. Penalty! Suttu was ever reliable in his dispatching the spot kick for a last second winner. Three points on the board, a big result away from home.

VS. WATERSIDE KARORI
3-2 WIN (TUCK, CUNNIFF, SUTCLIFFE)
M.O.M - CONNOR GAUL

MEN'S FIRST TEAM

ROUND FOUR

After the previous week's heroics away to Karori, our third away game in a row saw us go up against Miramar at Davey F.

Gunny returned to the lineup after his excellent performance in the previous week, while Levi Appleton made his return from injury via the bench.

Miramar started the game strongly, forcing Brooklyn into several smart saves. We soon settled and grew in confidence, with Connor hitting the post from a quick counter. Miramar took the lead as a deflected effort ballooned unfortunately over Brooklyn. We continued to press for an equaliser as we looked dangerous again on the counter.

The second half was more one way; we were dominant

against our more fancied opponents. Elliot was denied by an unbelievable save, while Cunniff was causing all sorts of problems. We thought we had nabbed an equaliser from a Jerram finish; only to be ruled out by a questionable offside decision. We continued to push for the equaliser, only to concede against the run of play in the 89th minute. We committed numbers forward in search of a way back into the game, only to concede a disappointing third in the last minute of added time.

A performance that didn't deserve a 0-3 loss, but the harsh realities of the league were there for all to see.

VS. MIRAMAR RANGERS

0-3 LOSS
