FIRST WORD

After what seems like an eternity (7 weeks to be exact) we are very happy to be back hosting Central League games at Hutt Park.

It is a warm welcome to Alan Koch and his Western Suburbs team for what is sure to be an enthralling encounter. Our previous meeting came in Round 2, where we came away with a 3-3 draw. Since then, Wests have been on a strong run to sit second in the league.

Our last outing at Hutt Park was the exceptional 3-2 win over Wellington Olympic, a day that will live long in the memory of many.

Since that result, we have continued to perform well on the road. A point against North Wellington and a penalty shoot out win over Miramar Rangers in the Chatham Cup were satisfying results, before two consecutive away trips against Napier City in both the League (4-1 Loss) and Cup (8-2 Loss) were important reminders of how tough this league can be. Nevertheless, our boys have shown admirable mental strength to continue to perform at a high level against tough odds.

We have been fortunate to welcome a few new faces to the club in recent weeks - Xavier Coleman has joined us

from Palmerston North Boys, as our relationship with a strong footballing school continues to grow.

We have also added to our coaching stocks - Stu Pyne has returned to the club after his extended overseas adventure. Stu is a fantastic addition to our quality group of coaches, and has fitted in seamlessly with the group.

Make sure to put our annual Quiz Night into your diaries - Saturday 29th July. Doors open at 6:30pm. This is an important fundraiser for the club and we need your support!

Finally, a big thank you to our sponsors for their continued support of our club; Sarich Motors, Complete Building Solutions, SignBiz and Proactive, along with grant providers Pelorus, Air Rescue, Hutt Mana, Pub Charity, Four Winds and One Foundation.

If you or your business wish to get onboard with supporting your local football club, please get in touch.

Come on you Stop Outs!

A REMINDER

Please respect the opposition players, coaches, supporters and especially the match officials.

MID-SEASON REPORT | BACK IN BLACK

MASTERS BLACKS

As we tick over to the halfway stage of the season the Blacks find themselves nicely placed behind the leaders with games in hand.

Led by our esteemed leader, Lenny Blackman (who's rousing pre-match team talks usually begin 'we've got history with the club') we've had a great start, recording six wins and two defeats. Most notably, wins against the league favourites Petone, a gutsy win over at North Wellington in the rain, wind and mud, then most recently away at Tawa.

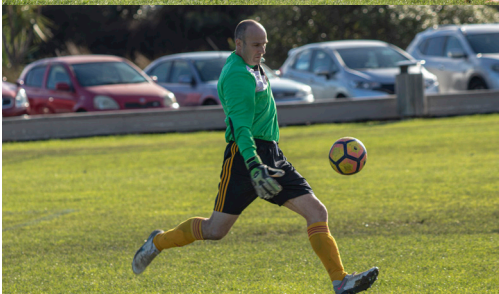

We've yet to face our friendly neighbours 'the Reds' (when reading this we will have done, in a rearranged Monday fixture under the lights) but we look forward to those games and claiming bragging rights.

Some stand outs so far, great to see top scorer Lill rolling back the years, our ever reliable Tomsy popping up in goal and showing he is just as good between the sticks and the return of the loveable rogue Joe to Stop Out, adding a bit of class (and aggression) to our defence.

Roll on the second half of the season and let's hope these

bodies can stay young and injury free and see where it takes us.

EDWARD HUNTER

CHAMPIONS

VALLEY HIGH

Stop Out Valley High are the champions of Wellington 5 after a tight race with Island Bay United. It came down to the final day where the Valley and IBU were level on points but IBU had the better goal difference by 9. Stop Out Valley High won 2-1 over Tawa and awaited the result from the Island Bay game later in the day. Fortunately for us, Island Bay fell short losing to Lower Hutt which see the Valley win the league! They will play the second half of the season in Wellington 4.

JUNIOR FOOTBALL

Junior football is the heart of any club, it is where most of us fall in love with the game. Chances are, you reading this were once a junior footballer. There is an increasing love and passion for kids to play football and it's only getting bigger!

Whenever I stop by to watch our young Stop Outs play, it always reminds me why I love the game. It's the excitement and boundless energy coming from the players who get to play their favourite game with their mates. It's the beaming smiles, the passion shining through in every dribble, pass and goal.

None of this would be possible without the efforts of our coaches, managers, referees, and volunteers. They are the unsung heroes behind the scenes who put in the effort to ensure that our young Stop Outs have the best possible experience on the pitch. From organising and delivering training sessions and matches, to providing guidance and support, our heroes are what keep the junior game's heart beating. To every one of them, I extend my gratitude for their unwavering commitment and dedication.

Let's continue to carry the spirit of our junior football into the second half of the season. It's their pure joy and passion that reminds us why we fell in love with the game! Whether it's First Kicks, U7/8s, or any other age group in our club, the future of football shines brightly within our junior ranks. Keep cheering them on!

JACK MORRISSEY

JUNIOR DIRECTOR OF FOOTBALL

WOMEN'S FOOTBALL

The women's side completed their first round in Women's 2 finishing in 7th place with 2 wins, 1 draw and 5 losses. Three of those losses being narrow 1-0 scorelines that on a different day, could have been positive results. Those tantalisingly close encounters will only fuel their hunger for redemption.

A second round gives the team a chance to improve on their performances and climb higher up the table!
